AMERICAN NAZI PARTY LEADER George Lincoln Rockwell, victim of a sniper Friday, is shown conducting a news conference in Arlington, Va., surrounded by Nazi decorations. With Rockwell are Matt Koehl, left, and Alan Welch, his deputy commander. Arlington police said Rockwell, 47, was shot dead by a sniper in a parking lot across from Nazi Party headquarters in Arlington. (AP Wirephoto)

Arrest Expelled Nazi For Rockwell Murder

ARLINGTON, Va. (AP) — Police held the former Nazi firebrand accused of slaying party chief George Lincoln Rockwell under heavy guard today while Rockwell's heir apparent vowed "we will carry on."

Rockwell, 49, founder of the American Nazi party, was killed in his car Friday by two cleanly placed shots as he was leaving the parking lot of a small shoppping center.

Five hours later, police charged 29-year-old John C. Patler, former No. 4 man in the small party's hierarchy, with murder. Bond was set at $50,000.

"Carry On"

Matthias Koehl, second in command to Rockwell, told newsmen: "I don't know of anyone who can fill his shoes . . . but we'll all do everything we can to carry on."

Koehl said Patler was expelled from the party last April because of his "Bolshevik leanings." He had been a member of the group which directs its hate toward Negroes and Jews, almost since its founding in 1958.

Rockwell once described Patler as the party's propaganda minister and Patler edited the organization's magazine "Stormtrooper" until early this year.

Arlington County police strengthened the guard at the county jail. When Patler was driven from an interrogation room across a courtyard to the jail Friday a policeman armed with a shotgun stood on the roof.

In Court Monday

Patler, also of Arlington, was to appear in court Monday to determine the date of his preliminary hearing. Mrs. Helen Lane, an Arlington lawyer, was with Patler during his interrogation by police.

Rockwell was shot after leaving a coin-operated laundry in the shopping center, one block from party headquarters. The shots, fired from a low roof over a barber shop, struck him in the head and chest. He fell out of the right side of the 10-year-old, rusted car, soap powder mixing with his blood.

On the seat were his trademarks, a corn-cob pipe and sunglasses.

Patler was arrested 45 minutes utes later, a half-mile from the scene. Police would not say if a weapon had been found or whether he had made a statement.

"This Is A Nightmare"

"I haven't done anything, this is a nightmare," he said to reporters as he was led, manacled, into police headquarters.

Patler often was in the forefront of Nazi party harrassing activities and it brought him a long string of arrests.

On June 8, 1964, he leaped to the platform at a Washington meeting where Mississippi Negroes told of shootings, beatings, bombings they had suffered.

"You're a bunch of filthy

Please Turn To Page 10, Col. 7

Predicted Death

YPSILANTI (AP) — More than three years ago George Lincoln Rockwell predicted he would be cut down by a sniper's bullet "just like Kennedy was. But not for the same reasons."

The leader of the American Nazi Party made his prediction on May 24, 1963, shortly before speaking to 2,500 Eastern Michigan University students in Ypsilanti, about 30 miles west of Detroit.

Michigan Youth Held As Sniper

MIAMI, Fla. (AP)—A Michigan youth quoted by police as saying he was having target practice faced charges of intent to murder Friday in connection with a sniper cruise by a smiling gunman who shot three men and missed three others.

Candy Michael Hughes, 23, of Keego Harbor was arrested at his Miami Beach motel after the shootings Thursday.

Arresting officers quoted Hughes as saying: "I didn't do anything wrong. I was just having a little target practice."

He also was quoted as saying: "I didn't shoot any of those people."

The gunman fired at motorists and a tractor operator as his silver-blue compact car traveled streets in Miami and suburban Coral Gables, Hialeah and Miami Springs.

"He had a smile on his face," said Calvin Joyner, 29, whose back was grazed by a bullet.

In Keego Harbor Mrs. Mary Hughes, the defendant's mother, said:

"Candy had a nervous breakdown after an automobile accident two years ago. But the only trouble he ever had with police was traffic tickets."

Mrs. Hughes said her son left home after withdrawing $900 from a bank Monday. She said he told her he was going to California.

Most seriously hurt was Thomas York, 46, struck with a bullet in the spine as he operated a tractor on a road project. He was paralyzed from the waist down.

Hughes was being held without bail on four counts of assault with intent to kill.

Weather

By The Associated Press

ESCANABA and VICINITY—Cloudy with showers likely today, high 75. Partly cloudy and cooler tonight, low 48. Sunday fair and cool. Monday outlook: fair, not quite so cool. Northwest to north winds, 10 to 18 m.p.h. High yesterday, 74 and low overnight, 60. Precipitation probabilities: today, 60%; tonight, 60%; Sunday, 5%.

Lake Michigan—Small craft warnings in effect. Sheboygan — Pentwater northward. North half: South to southwest winds 12 to 17 knots, becoming north to northwest 15 to 22 knots this afternoon and tonight, showers with gusty winds to 25 to 30 knots in thundershowers today.

The sun sets today at 7:38 p.m. and rises Sunday at 6:02 a.m.

Car Bargainers Map Strategy

DETROIT (AP) — Company and union negotiators today mapped strategy behind the scenes for a showdown Tuesday as time runs out if a strike is to be avoided in the auto industry.

The job before them is to reach a new wage agreement by a week from Wednesday, when current three - year pacts expire.

Financial and labor experts at General Motors Corp., Ford Motor Co. and Chrysler Corp. busied themselves putting together, for promised delivery Tuesday, counteroffers to demands of the United Auto Workers Union.

Strike planning was uppermost on the weekend agenda of union executives. They have invited local union leaders to gather today and Sunday in seven cities "to acquaint them with the strike assistance program of the international union."

Leonard Woodcock, a UAW vice president, said a week ago there will be no contract extension for the target company. The UAW's international executive board has been summoned to meet Wednesday to pick that company.

Speak Labor Day

BELDING (AP)—Rep. Gerald R. Ford, R - Mich., and Gus Scholle, Michigan AFL - CIO president, are scheduled speakers at the Belding Labor Day celebration Sept. 4.

Today's Chuckle

We've just heard that beds for maternity cases in Britain are in such short supply that bookings must be made 10 months in advance.

Army Sergeants Are Accused Of Spying For Reds

WASHINGTON (AP) — Two Army sergeants, both veterans of long service, are charged with spying for Soviet agents.

Staff Sgt. Leonard J. Safford, 30, originally from Fort Pierce, Fla., and Sgt. 1. C. Ulysses L. Harris, 37, from Sicily Island La., were arrested last Saturday and Sunday respectively, but the arrests were not announced until Friday.

The two Soviets allegedly involved have left the country and won't be allowed back in, the Defense Department said. They were identified as Nikolai Fedorovich Popov and Anotoliy Tikhorovich Kireyev. Popov was with the Soviet Embassy in Washington, Kireyev with the Soviet Union's mission at the United Nations in New York.

The alleged spying occurred while Safford, a 12-year Army veteran, was administrative supervisor at the Strategic Communications Command Facility in nearby Suitland, Md., and Harris was with the Signal Corps at Ft. Monmouth, N.J. Both had top-secret clearance.

The Army charges that on Dec. 8, 1966, Safford asked a soldier, Robert A. Cook, to photograph military equipment at an Army installation in Roslyn, Va., across the Potomic River from Washington.

Safford received a camera from Popov last June 3 during a meeting in a Washington restaurant, the charges said, and then delivered unidentified documents to the Soviet diplomat at suburban shopping centers in June and July.

The Army also did not amplify on the roles of Cook and Fletcher but said they were not charged in connection with the spying.

The statement at one point referred to "others" involved in the alleged conspiracy but did not elaborate on this point.

Kipling Boy Killed By Car

BULLETIN

Michael Creten, 9, son of Mr. and Mrs. Charles Creten, Kipling, was killed shortly before 10:30 a. m. today when he was struck by a car while riding his bicycle.

State Police of the Gladstone Post said the boy was taken to St. Francis Hospital by ambulance. Hospital officials said he was dead on arrival.

Troopers investigating the accident said the boy was apparently riding his bicycle along the shoulder of U.S. 2 and 41 near the Kipling school when he turned sharply into the path of a car driven by Peter P. Cannon, 79, of 1216 Dakota Ave., Gladstone.

Officers are continuing to investigate.

Terrorists Step Up Viet Election Toll

Jets Hammer Red Navy Base For Third Day

SAIGON (AP) — U.S. Navy jets roared in from carriers in the Tonkin Gulf Friday for the third attack in five days on North Vietnam's main naval base, 30 miles from Red China, as Air Force pilots kept hitting enemy supply lines.

U.S. pilots had raided the Port Wallut naval facility, 61 miles northeast of Haiphong, Monday for the first time in the war. They also hit it Thursday.

Bad weather kept the raiders away from the Hanoi area Friday. Air Force pilots concentrated their attacks in North Vietnam's southern panhandle, hitting supply lines and a military training center.

Eight-engine B52 bombers flew two bombing missions today inside and just below the demilitarized zone between North and South Vietnam, making a total of five raids in two days following a Communist attack from there.

Bomb Staging Areas

Recent ground action below the buffer zone was among indications the Communists might try again, as they did early in the summer, to push into Quang Tri, South Vietnam's northernmost province.

The B52s dumped tons of bombs on infiltration routes and staging areas as they have been doing frequently in recent months, trying to check any Communist troop buildup.

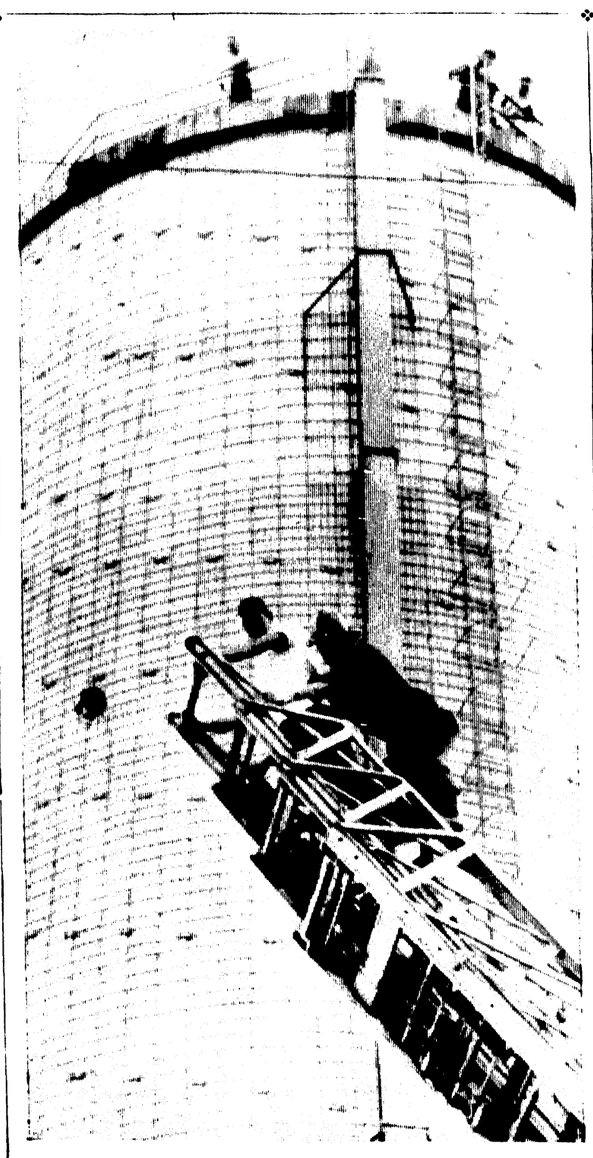
In one of the few reported ground actions, units of South Korea's White Horse Division said they killed 19 Communist soldiers—without suffering any Korean casualities—in a 550-minute clash 14 miles southwest of Tuy Hoa on the central coast in Phu Yen Province. The Koreans also reported seizing eight enemy weapons and 150 pounds of explosives.

Offers Peace Talks

South Vietnamese Premier Nguyen Cao Ky said the Communists have no hope for a victory in Vietnam and must negotiate. He renewed his offer for peace talks.

The South Vietnamese are taking the initiative over the Viet Cong, he said, "and nobody can deny that."

"The Viet Cong strongholds are no longer protected," he added. "The Viet Cong tactics are no longer efficient."



ORRIN SUNDE, 21, narrowly escaped death when he was caught in a huge silo at Grand Rapids by a cave-in of chloride that buried him up to his shoulders. Extreme caution by researchers averted this, he was hauled out through the top of the 110 foot silo suffering a twisted ankle and rope burns. (AP Wirephoto)

LBJ Asks Help

LOS ANGELES (AP) — President Johnson wants Democrats to back him as they supported his Democratic predecessors and help him through a time when "the smoke of domestic and foreign violence is thick and blinding."

The President, expected to seek re-election next year, sent that message from Washington to the Western States Democratic Conference.

It was delivered Friday night by one of his top political advisers, Postmaster General Lawrence F. O'Brien.

"I call upon every Democrat for the time of leadership and support that made it possible for Franklin Roosevelt, Harry Truman and John F. Kennedy to meet and overcome the crises that darkened their days," Johnson said in the message.

Some of the Democratic leaders from 13 Western states attending the meeting have said the Vietnam war might make it difficult for Johnson to win.

Saboteurs Kill 22 Civilians In Blasting Bus

SAIGON (AP) — Communist saboteurs blew up a bus and killed 22 civilian passengers today 12 miles from a rally where South Vietnam's presidential candidates were speaking.

Six other passengers were injured when a mine demolished the bus on a main provincial road near the populous Mekong delta city of My Tho. It was the third such incident in the past few days.

At My Tho, campaigners for the Sept. 3 election included the military presidential aspirant, Lt. Gen. Nguyen Van Thieu, for the first time. This had been widely publicized in advance.

The My Tho area is heavily infested by guerrillas and the roads around it have been a special target of the Viet Cong recently. The timing of today's blast was a reminder of the Communists' continuing efforts to disrupt the election campaign.

Ground fighting continued in a lull and heavy weather restricted air raids on North Vietnam Friday.

Blast Eight Bridges

In the last 24 hours, the Communists have blown up eight bridges near Da Nang, wounded a subdistrict police chief and another policeman with a grenade in Saigon and wounded several members of a combat-youth team in an attack on a delta post 56 miles below Saigon.

A Vietnamese spokesman said a hamlet chief was murdered Friday night by guerrillas dressed in Vietnamese army uniforms.

In one area not obscured by bad weather, U.S. Navy jets from carriers in the Tonkin Gulf attacked North Vietnam's main naval base at Port Wallut, 30 miles from Red China, for the third time in five days. Air Force pilots were able to strike supply lines and a military training center in North Vietnam's southern panhandle.

MIGS Duck Battle

The U.S. Command said U.S. pilots flew 146 missions and twice sighted Communist MIGs in the air. The pilots said the MIGs streaked back into cloud cover and there were no dogfights.

Heavier air raids earlier in the week cost 13 American planes downed, approaching the Vietnam war's one-week record of 15. No additional plane losses were reported today.

Headquarters listed six Americans killed and 46 wounded in scattered ground fighting in South Vietnam.

Five Americans were missing after a helicopter crash in a mountain river near Kontum in the central highlands. Rescue crews from two other helicopters pulled a Red Cross girl and three soldiers safely from the swirling waters.

Stricken by engine trouble, the helicopter crashed in a spot where the river is about 200 feet wide with deep jungle on both banks.

Army Cleanup

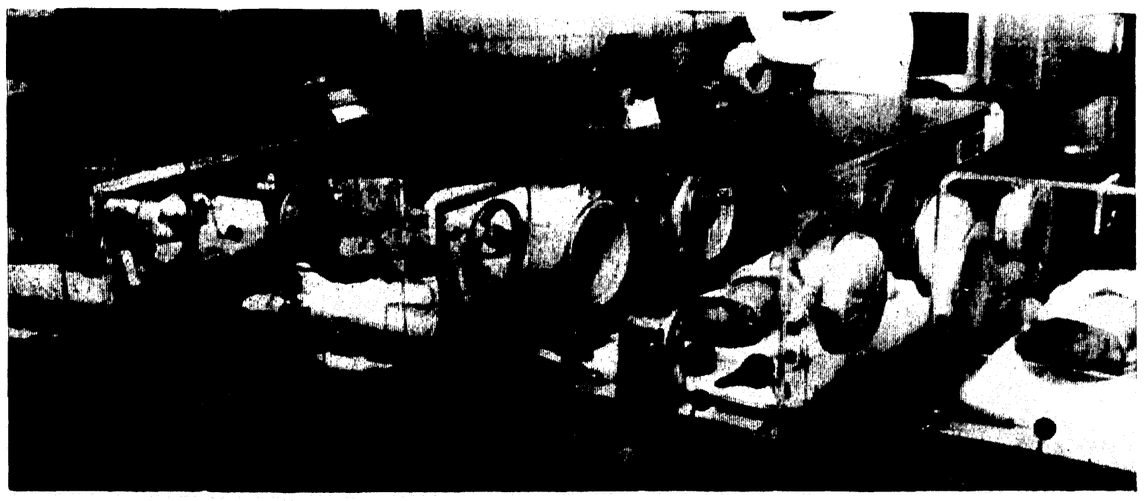
In South Vietnamese politics, Premier Nguyen Cao Ky confirmed today that many Vietnamese army officers would be swept out for corruption and inefficiency.

"It is not a purge but rather a cleaning up of the army ranks," he told a palace news conference. "This has always been the policy of my government."

He added, "The corrupt may gather together to destroy you before you can destroy them."

10 Babies In 10 Years:

Rare Boy Quads Born In St. Louis



MRS. RICHARD FAHRENKROG, 34, who is 5 feet, 2½ inches tall and normally weighs 108 pounds, gave birth to boy quadruplets at DePaul Hospital in St. Louis, Mo. Mrs. Fahrenkrog has six other children. The smallest of the quads weighs 4 pounds, 3 ounces. All were reported to be healthy. A hospital spokesman said the boy quads are rare in that multiple births are usually mostly girls. (AP Wirephoto)

ST. LOUIS (AP) — "We've never had four babies at one time before," says Richard Fahrenkrog. "I don't know if they'll all be getting up at the same time for diaper changes and feedings."

The 36-year-old father of quadruplets was tired and excited Friday. But his wife Ruth, 34, was calm. Her main thought was what to name her four new sons. She said she wanted to look at each of them before deciding. All were in "perfect condition," doctors said.

The petite redhead had given birth to six other children within the last ten years. But with this pregnancy she went from 108 pounds to 164.

Attending physician Dr. Nicholas A. Correnti predicted four babies. He bet the father $1 most would be girls. But the electrical engineer from suburban Florissant said he was certain all would be boys.

Doctor Exhuberant

Despite losing the $1, Correnti was exuberant. So was the nursing staff at De Paul Hospital. Three weeks ago the mother-to-be was brought to the hospital but the pains turned out to be a false alarm. She was sent back home.

When she finally gave birth to the first boy at 1:03 a.m. Friday, she was just over eight months pregnant. The other three screaming boys, with slick black hair, came within a 10-minute span, at 1:42, 1:45 and 1:47. All were natural births.

Correnti said he feels the quadruplets will be identical, although he will not be certain until further tests are made. He said their weights were "terrific."

Run In Family

They weighed 5 pounds, 2 ounces; 4 pounds, 7 ounces; 4 pounds, 3 ounces; and 5 pounds, 1 ounce, respectively.

The father said, "I was amazed at my wife's composure and calmness. Within an hour she was eating a cheese sandwich."

Multiple births run in the mother's family. Two of her sisters have twins. She said she expected to have the babies home within a few weeks. Others in the family are: Ricky, 9; Debbie, 7; Karen, 6; Craig, 5; Brenda, 3; Kevin, 20 months. The Fahrenkrogs have a three-bedroom home in the St. Louis suburb. Possibly it will be remodeled or the family will move to a bigger house, the father said.

Cadillac School Accord Reached

CADILLAC (AP) — Bargainers for the Cadillac chapter of the Michigan Education Association and the board of education reached a compromise agreement Friday on salary provisions of a proposed teacher contract.

A spokesman for the school board said teachers were to study the proposal Monday night and the board has scheduled a meeting Tuesday.

The salary base was the remaining unsettled issue in the proposed contract. Before the compromise was reached, $63,000 reportedly separated the board's latest offer and the teachers' request.

Students Parade To Save Football In Monday Vote

MANISTIQUE — Voters of the Manistique School District will go to the polls Monday to ballot on a proposal to levy 5 mills for two years for school operation.

The proposal is the second round attempt to raise money for salary increases for teachers and auxiliary employes and to obtain revenue which the board of educations says is needed to continue extracurricular activities. The football program has begun, but it and other activities are dependent upon passage of the millage.

The proposal would bring an estimated $100,000 a year revenue from the district, which includes the City of Manistique and all 8 townships of the Schoolcraft county except Inwood and Seney.

The district is levying 4 mills for school operation extra voted and 6.2 mills allocated from the 15 mill property tax, so the full state aid requirement for minimum millage is already met.

There was a parade of children in Manistique Friday night before the practice football scrimmage with Escanaba Area High School in which placards urged retention of football by a "Yes" vote on the school millage Monday.

There has been an organized campaign in favor of the millage and none openly against it, but political observers expressed belief that a negative vote was most likely, here as elsewhere in the Upper Peninsula where school districts are trying to meet increased costs of teacher pay increases and other advances by voting extra taxes on property.

Implied Consent Meeting Oct. 6

Michigan's newly enacted auto drivers implied consent law will be reviewed and explained in a nine-city series of Governor's Regional Traffic Safety Conferences this fall.

Gerald W. Shipman, Executive Secretary of the Michigan State Safety Commission, conference coordinating agency, said, "This new tool for law enforcement authorities will, hopefully, bring some favorable results in the fight to keep the drinking driver off our roads. The public needs to know more about this law that will become effective Nov. 2, and we plan to have a presentation at the conferences covering the use of breath testing devices and correlative legal implications."

The conferences, open to the public, will be staffed by key state and local personnel.

The statewide schedule begins Sept. 11 in Lansing and in the Upper Peninsula will include meetings in Sault Ste. Marie Sept. 29 and Escanaba on Oct. 6.

Obituary

MRS. ELSIE PIRON

Funeral services for Mrs. Elsie Piron were held at 9 a.m. today at St. Patrick's Church with Msgr. M. Melican officiating. Burial was in Holy Cross Cemetery. Pallbearers were Eugene Harris, Robert Mileski, Bruce Kitts, Emil and Clarence DeGrand and John LaValley.

DR. GORDON BECKSTRAND, left, director of 4-H Youth programs for Michigan State University's Cooperative Extension Service extends congratulations to four teen-agers named as delegates to the National 4-H Conference in Washington D. C. Winners at the 1967 State 4-H Show on the MSU campus Aug. 22-25 are, from left: Ann Bennett, Berrien Springs; Darlene Rice, Mancelona; Tom Safford, Rapid River; and Jim Crissman of Caledonia. (MSU Photo)

Safford Wins State 4-H Honor

EAST LANSING—It was a tense moment. Nine teen-agers, representing the elite of Michigan's 86,000 4-H members stepped into the spotlight. On stage at the State 4-H Show at Michigan State University were the finalists for the state's top 4-H award. Four would be named as delegates to the National 4-H Conference in Washington, D.C. next April.

Two girls and two boys, all 17, all high school seniors, were selected to represent Michigan in the nation's capital. The runnersup got a trip to Chicago in late August.

Named to the 1967 "4-H Hall of Fame" were: Anne Bennett, Berrien Springs; Jim Crissman of Caledonia; Darlene Rice, Manselona, and Tom Safford of Rapid River in the Upper Peninsula's Delta County.

Next spring the quartette will meet with club members from every state in the union who represent the pinnacle for some two million 4-H'ers across the nation. For the Michigan group it will be the culmination of a sum total of 30 years of 4-H experience.

The winners have much in common. Their club, school and community activities read like a page from a teen-age "Who's Who?" Anne and Darlene want to be teachers. Jim plans to take up veterinary medicine. Tom, whose father is a conservation officer, hasn't decided.

President of the Ensigner's 4-H Club for the past three years, Tom Safford of Delta County has an impressive accomplishment in projects, demonstrations, judging events and junior leadership. He is the son of Mr. and Mrs. Tom Safford of Rapid River.

Also a high school senior, he has been vice-president of his class, active in athletics and was a 1967 delegate to Boy's State. "I'm proud of my association with 4-H," he sums up "and I want 4-H to be proud of me. I salute 4-H, its members and many accomplishments."

Camp Fund At $180,000 Now

The Hiawathaland Council Camp Development Campaign climbed past the $180,000 level late this week on its way toward the $250,000 goal.

Frank S. Hoholik of Manistique, general chairman of the Upper Peninsula-wide effort, said receipts are continuing to come in to campaign headquarters in Marquette. He indicated that some campaign volunters had not as yet turned in reports, with the result that a number of contributions are still outstanding.

"It's rather like an election in which all precincts have not yet reported in", said Hoholik. "When the votes are all counted, I'm certain we'll find that the Boy Scouts and all those interested in the future of our Upper Peninsula will be declared the winners."

Gill Net Meet Here Sept. 26

LANSING (AP) — The State Conservation Department has scheduled hearings Sept. 25-29 in 10 Michigan cities on a proposal to all but eliminate commercial gill netting of fish in lakes Michigan and Superior.

The proposed restriction, given preliminary approval by the conservation commission, is aimed at protecting stocks of trout and salmon being planted in the lakes.

The proposals will be discussed at Ontonagon, Escanaba, Newberry, Charlevoix, Manistee, Muskegon, Benton Harbor, Alpena, Bay City and Detroit.

The Escanaba meeting will be held at the State Office Building from 1 to 5 p. m. on Tuesday, Sept. 26, following a meeting on Sept. 25 at Ontonagon with one to follow at Newberry on Sept. 27.

Agreement Ends Furniture Strike

GRAND RAPIDS (AP) — Drivers and dockworkers, members of Teamsters Union Local 406, returned to their jobs Friday at Blodgett Uncrated Furniture Services following agreement on wages and overtime, ending a week-long strike.

Patrick Mackey, secretary-treasurer of the local, said the company, which hauls uncrated furniture primarily for the furniture industry, agreed to meet salary terms of a national Teamsters Union contract which provides for a 55 cent-an-hour pay increase over three years.

Rock Schools Open Sept. 5

ROCK — The Rock Public Schools will open Tuesday, Sept. 5, at 9 a. m. with registration and shortened sessions for all pupils, according to Supt. George E. Weingartner.

Teachers will meet at 11 a. m. for conferences with their principals.

Two new teachers have been added to the staff. Weingartner is still seeking a teacher for art.

Marie Katherine Ranta of Marquette, a graduate of Northern Michigan University with a BA degree, will teach English and speech, and will also be the forensics coach.

Alex S. Jekel will teach industrial arts and assist in athletic coaching. He was a combat pilot with the 1st Air Cavalry Division in Vietnam, and also supervised the training of local Vietnamese Nationals as clerks, cashiers, and stock work. He attended the University of Wisconsin, Milwaukee, School of Engineering, and received his B. S. degree in Industrial Arts and Mathematics from the Florida Southern College. He is moving his family to Rock where he intends to purchase a home. He has five children of school age.

Other teachers completing the Rock staff are: George Kulack, high school principal and commercial subjects; Florence Sayen, history and economics; Victor Mankiewicz, chemistry and mathematics; Beatrice Narotzky, counseling and Home making; Gene DeKeyser, conservation, mathematics and coaching; G. E. Weingarten, physics; Marie Waisinen, home economics; Lidia Menchaca, Spanish; John Violetta, band; Caroline Kaminen, piano, music; Claudia Hoffman, remedial reading; Jeanette Vogt, librarian; Clara Kaminen, school nurse. Elementary teachers are John Small, principal, Lidia Menchaca, Mary Nelson, Helmi Lepisto, and Marie Waisanen.

Clifford Carlson, John Norman, Reino Kivekas, Elmer Lepisto and Herman Brunngraeber are bus drivers. The bus schedule will remain about the same as last year.

Football practice has begun and the first game will be against Pembine at Rock on Saturday, Sept. 9.

Elevators were hazardous at the turn of the century. In a single large city, as many as 30 people a year might be killed in elevator accidents.

Flat Rock To Open Sept. 5

Flat Rock School will open on Tuesday, Sept. 5.

A teacher's meeting is scheduled for 8:15 a. m. Tuesday and students will be picked up at 11:30 for their first day of school. High school students will go to Gladstone for classes that will start at 1 p. m.

Bus routes will be the same as last year.

Kindergarten classes will start on Wednesday, both morning and afternoon. Children not already registered should be registered on Tuesday afternoon with Mrs. Christoff, kindergarten teacher.

Lunch and special milk programs will start on Wednesday with prices the same as last year, 20c for lunch, 2c for milk and 3c for chocolate milk.

"We still have one vanacy on our staff, a first grade teacher is needed," said Supt. Leo J. Brunelle.

The school has been completely cleaned and rooms painted and the new addition will also be finished by the opening of school.

New members of the staff are: Mrs. Kathleen Boyle of Escanaba, a member of the Iron Mountain staff last year, Mrs. Richard Verch of Escanaba, a member of the Manitowoc, Wis., staff last year. Mrs. Sandra Jeanne Beauchamp of St. Clair Shores, who was employed by the South Lake schools. A. Heikkinen on Sudan, Minn., was a member of the Amasa staff last year. New members were added to staff the addition.

Intellect, Faith Can Be Twins, Students Told

Man's intellectual thrust and religious insight must grow together, they cannot really be separated, 5,000 Christian Science college students heard at the biennial college meeting held this week at The Mother Church. The First Church of Christ, Scientist, in Boston. Students from nearly 40 countries attended.

It's a mistake to segregate the intellect as something distinct from spirituality, said Sir James R. M. Butler, a former member of the British Parliament and chief historian for Great Britain's World War II archives.

There are even some who regard the intellect as "an obstacle to spiritual progress," but the real obstacle, he suggested, may often be a limited concept of what intellect is. Man's "ability to think and know is . . . an expression of divine intelligence available to all as their inherent birthright," declared Sir James. He described this as an "open-ended" view that eliminates pride of intellect and helps to bring out freshness and originality of thought, in "our neighbors as well as ourselves."

Director

Eddie McGloin has been named director of the Detroit insuring office of the Federal Housing Administration. McGloin was staff assistant to Senator Philip A. Hart of Michigan, before going to FHA.

Mack Nettled By Criticism On Bridge Duck

State Senator Joseph S. Mack, (D-Ironwood) today replied to Congressman Philip Ruppe's recent comments criticizing the Michigan Senate for failure to reduce the Mackinac Bridge tolls.

Senator Mack said, "Congressman Ruppe campaigned on the promise that he would have the Mackinac Bridge declared a part of the Interstate Highway System, thereby getting the federal government (and not the Michigan tax payers), to pay 90 per cent of the cost of the bridge. Only the United States Congress can do this, not the Michigan Senate.

Mack said Congressmen Alvin O'Konski and John Blatnik, of Wisconsin and Minnesota respectively, succeeded in having Congress declare the multi - million dollar High Bridge a part of the Interstate Highway System on the same highway the Mackinac Bridge connects. "The U. S. Government paid for every last cent of the construction cost of the High Bridge. The states involved only had to pay for the approaches," Mack said.

"My office has been in touch with Congressman Alvin O'Konski, who has advised me that since the Mackinac Bridge is on the same Interstate Highway as the High Bridge, he sees no reason why the "Big Mac" should not qualify for 90 per cent federal highway funds," said Mack.

The Michigan Senate adjourned Aug. 3 while a committee was trying to reach agreement between the houses of the Legislature on a Good Roads package which would have provided new taxes for highway construction and $6 million annually to reduce tolls on the Mackinac Bridge. Governor Romney has put the Good Roads bill in his call for a special session of the Legislature in October.

Three State Men Killed In Vietnam

WASHINGTON (AP) — Two Michigan soldiers and a Marine were among 14 men listed by the Defense Department Friday as killed in action in Vietnam.

They were Marine Lance Cpl. Kendal L. Benney Jr., the son of Mrs. Kendal L. Benney of Big Rapids.

Army Spec. 4 Albert L. Brown, son of Mr. and Mrs. Elmer Brown of Alba and Army Spec. 4 Christopher A. Lesky, son of Mr. and Mrs. Paul F. Lesky of Detroit.

Varnum Hails Road Tax Call

Governor Romney's call for passage of a "Good Roads" package, including provisions for lowering the tolls on the Mackinac Bridge, is hailed by State Rep. Charles H. Varnum (R-Manistique) "as the best news of the summer for the Upper Peninsula."

Romney made the "Good Roads" package, designed to raise money for highway construction, an item of business for the October special session of the Legislature. An amendment to the "Good Roads" package would steer a portion of the funds from a proposed 1 cent increase in the gasoline tax to pay off the bonds under which the bridge is currently financed.

Varnum said "Governor Romney has indicated to me that he does not intend to sign into law any "Good Roads" package that does not contain an amendment that would substantially reduce tolls."

Purchase Club

PORT HURON (AP)—The 144-acre Black River Country Club, whose million-dollar facilities have been leased to the membership for many years by Mueller Brass Co., which founded the club, will be purchased outright from Mueller by the members.

A price of $500,000 will be paid for the 144-acre layout, which includes a $300,000 clubhouse and a golf course.

Teens' Volunteer Labor Brightens Nursing Home

By DAVE ANDREWS

A group of teenagers from the Upper Peninsula, Ohio and Indiana have completed a week of volunteer work in the Escanaba and Gladstone area in a practical application of the teachings of their church.

"The Mennonite Church believes Christ was a servant of mankind," said Paul Derstine of Goshen, Ind., leader of the group. "Part of the purpose of this program is to give young people an opportunity to serve."

Derstine, who will be a senior this fall at Goshen, Ind., College, said the program also was set up to allow teenagers to meet and work with other youths from other parts of the country.

"When we got together for the first time here last Saturday nobody knew each other and now they're like brothers and sisters," he smiled.

Derstine, whose wife, Eleanor, is also a leader on the project, said a "Servanthood Work Camp" program was set up this summer in place of the usual Mennonite Youth Fellowship convention and teenagers from throughout the church have volunteered to work on community service projects.

He said the young people who volunteered to serve sent applications to the director for the Indiana-Michigan Conference. Youngsters chosen for this area all wanted to come to the Upper Peninsula.

Arrangements for their visit here were made through the Mennonite Bible Chapel, Soo Hill.

Rev. Paul Horst, pastor of the church, explained that the church has "work camps all over the United States this summer" and he was contacted to see if his parish would be willing to accept a unit.

The young people are staying in the basement of the church at Soo Hill, eating breakfast and dinner there. Lunch is served to them at the work project.

Derstine said this week the projects have centered on painting and cleanup work at the Delta Nursing Home and also at the Sloan Nursing Home in Gladstone.

Jim Short, 17, of Wauseon, O., said he volunteered because "when I heard about the program I thought it would be a good chance to be with other kids and also to do some work for the church."

He added that he had always wanted to come to the Upper Peninsula and now that he's here "loves it."

Derstine said there are five boys and five girls in his camp and a regular day starts with breakfast call at 6 a. m. At 7:45, the group meets for an hour of Bible study before reporting for work at 9 a. m. The work day lasts until 4 p. m., when the young people are free for other activities.

One night of their visit they were taken water skiing by Dr. and Mrs. George Maniaci of Gladstone.

"I kind of hate to see it end," Derstine said. "It's been an enjoyable week and the hospitality has been great."

The newly painted rooms at the Nursing Home will remain as a reminder of their efforts.

PAM HANDRICH, 16, of Germfask, paints a door on one of the patient rooms at the Delta Nursing Home Friday as a group of teenagers from the Mennonite Church complete a week of Volunteer work in the Escanaba and Gladstone area. Her sister, Penny, 17, also was among the group of 10 teenage volunteers. (Daily Press Photo)

Dr. Vito Perrone

Name Perrone Graduate Dean

MARQUETTE—New dean of graduate studies at Northern Michigan University is Dr. Vito Perrone who has served as dean of Northern's common learning program since April, 1966.

Perrone succeeds Dr. Clarence Bjork who resigned this month to become dean of the faculty at Western State (Colo.) College.

Perrone received his bachelor's, master's and doctor's degrees from Michigan State University. He joined Northern's faculty in 1962 as an assistant professor of history and was promoted to associate professor when he was tapped to head NMU's common learning program.

Since coming to Northern, Perrone has earned distinction in teaching and research which included a federal-supported study of U. S. student attitudes toward Latin America.

Perrone, a native of Bath, Mich., and a former high school teacher in Lansing and Warren, Mich., is a former chairman of NMU's Faculty Senate.

Board To Meet On Ratification Of New Contract

The Escanaba Area Board of Education will meet in special session at 8 p.m. Monday to consider ratification of the settlement reached on a new master teacher's contract with the Escanaba Education Association.

In other action the Board will open bids for landscaping of new elementary school construction, for fuel oil, gasoline, milk and fleet insurance.

Supt. Luther M. Barrett also indicated he hopes to have names of several teaching candidates for Board consideration. He had reported earlier this week that Escanaba Area needs eight teachers to complete its 1967-68 staff.

In Service

Seaman Recruit Daniel R. Thorsen, USN, son of Mr. and Mrs. Robert Thorsen, Rte. 1, Escanaba, is undergoing nine weeks of basic training at the Naval Training Center, San Diego, Calif. His Navy Classification tests will determine whether he will be assigned to a school, shore station or ship after graduation.

Seaman Apprentice Charles K. McCarthy, USN, son of Mr. and Mrs. John M. McCarthy, 1819 S. 16 St., Escanaba, was graduated from the Commissary School at the Naval Schools Command, Newport, R. I. The eight-week course of instruction was designed to provide basic training in the preparing and serving of food.

Health Group Elects Brown

SAULT SAINTE MARIE (AP)—The Michigan Health Officers Association has elected the following officers to one-year terms at its 23rd annual conference:

President, Dr. B.P. Brown, Eaton County health director; president - elect, Dr. Freeman Hersey, Kalamazoo County health director; secretary, Dr. Robert Locey, health director of the Southwest District of Berrien, Cass and Van Buren counties, and treasurer, Dr. Morris Reizen, Ingham County health director.

Dr. Florence Hampton, deputy health director of Wayne County, was elected to fill an unexpired term on the association's board of directors.

On Water Board

DETROIT (AP) — John D. McEwen, a Plymouth Township supervisor, has been appointed to the Detroit Water Board by Mayor Jerome P. Cavanagh.

Milliken Reports 45 School Pacts

LANSING (AP)—Lt. Gov. William Milliken reported Friday he received reports of 45 teacher contract settlements within the previous 24 hours.

This still left 158 districts in the process of negotiations, Milliken said. These districts, he estimated, include 907,261 pupils and 41,169 teachers.

Of this total, Milliken said, nearly 300,000 pupils and 11,500 teachers are in Detroit schools.

Milliken has been assigned by Gov. George Romney to the task of urging contract settlements to enable school openings on schedule.

Latest settlements reported by Milliken include Dearborn No. 8, Huron Township, Dundee, Northwest (Jackson), Springport, Calhoun Intermediate, Hillsdale, Pennfield (Battle Creek), Pittsford, Bloomingdale, Gull Lake Kalamazoo Valley Intermediate, Paw Paw, White Pigeon, Brandon, Lake Orion, Coopersville, Godwin Heights (Wyoming), Jenison, Kentwood (Grand Rapids), Martin, Bentley (Flint), Goodrich Montrose, Breckenridge, Brown City, Freeland, Ithaca, St. Louis, Arenec, Beaverton, Coleman, Hale, Harrison, Shepherd, Standish-Sterling, Tawas Area, Barryton, Bear Lake, Hart, Muskegon Heights, Oakridge (Muskegon), Pellston, Cadillac, and Bergland.

Of these 45 districts, Dundee, Hillsdale, Paw Paw, Lake Orion, Coopersville, Godwin Heights, and Cadillac had been listed as critical.

"There is no further point," Milliken said, "in continuing to designate some districts as critical. Certainly some will be more difficult to settle than others, but with school openings so close at hand, every district in which there is not yet a settlement must be considered critical."

Tolling For Tolls

Gov. George Romney has tolled the death knell of the present tolls for the Mackinac Bridge. They won't come off this year, but it will be surprising if they're still in their present vigor ($3.75 per car each way) at the end of 1969.

The Governor used the annual U. P. State Fair Governor's Day luncheon in Escanaba as occasion for an ultimatum on the subject. He will not, he said, approve any new highway taxes for Michigan which do not provide for reduction of tolls on the Mackinac Bridge.

And because Michigan has such a great need for highway construction and for new taxes to finance it, Governor Romney expects that his position will result in early action that will start reduction of the bridge tolls and look toward their eventual elimination.

* * *

The Michigan Good Roads Federation, a pooling of many state economic and educational interests, proposed a good roads package to the last session of the Legislature to meet the state's most urgent highway needs. It called for boosting the state gasoline tax from 6 cents a gallon to 7 cents, and a 57 per cent hike in passenger car license fees (the weight tax) and a 10 per cent increase in truck license fees.

The Governor, who has been promising since 1965, that he'd knock off the tolls, has decided that the time is now for action. His insistence that $6 million of the proposed $63 million increase in the state's gasoline and weight taxes for the good roads package go to the bridge for toll relief, helped to defeat the package on Aug. 3. It got caught in the closing squeeze of the legislative session while proponents were trying to get both houses into agreement on the package. The senate quit and went home and the plan was dead for the time being.

* * *

As the Legislature faces assured efforts to revive the good roads package in the next regular session in January — it isn't a good bet for the October special session — the Governor's position of top priority for toll reduction in any good roads package means that it's in. Either that or the good roads package is going to have a heck of a time mustering enough votes to survive his veto.

Romney's timing of action in the bridge controversy is sharp. For years the inequity of requiring anyone going to the Upper Peninsula or from the U. P. to Lower Michigan to pay a toll of $3.75 has been increasingly clear and increasingly repugnant to the public.

* * *

While there's still a hard core of people in Lower Michigan who think that Upper Peninsulans should all move to Grand Rapids or Muskegon and stay there if they want to avoid the tolls, the simple fact that only at Mackinac does the Michigan state highway system set up a cash register alongside the highway is ballooning as an injustice.

The bridge, says Governor Romney "is just as much a part of our highway system as any other part in our state."

It now appears that this may be recognized even at the toll plaza in St. Ignace before we elect another President.

Good Riddance

Among the most unpleasant sights along our nation's highways are the sprawling acres of junk automobiles. Many proposals have been put forth for eliminating or concealing these eyesores, including proposed legislation to plant trees to screen the junk yards from public view. But the best way of solving the problem is to get rid of the junk cars themselves. And the best way of accomplishing this is to find uses for them. If the market for scrap metal suddenly skyrocketed, the millions of junk automobiles would just as suddenly dissappear.

Fortunately, several uses for junk cars have materialized recently. One that already has been employed involves fisheries management. Junk cars are hauled into the waters of the Atlantic Ocean and the Great Lakes and dumped overboard to settle to the bottom, where they provide excellent shelter for game fishes.

* * *

Another possible means of cashing in on junk cars was described recently by Dr. Leonard Reiffel, World Book Encyclopedia science writer, who reported that the U. S. Bureau of Mines has announced it will undertake a demonstration project to show how junk automobiles may be utilized by the steel industry.

Noting that it's been estimated that there are 20 to 40 million junk cars in this country, Dr. Reiffel said the bureau's project involves taking "some very abundant and relatively low grade iron ore called taconite ore and upgrading it, with the help of junk steel, to a mere valuable material called magnetite. Taconite is mined on the Mesabi Range in Minnesota. This material is not too good as a starting point for blast furnaces making steel, but the Bureau has shown that a quantity of this crushed ore can be mixed with auto scrap and then heated.

"In the process, some of the oxygen leaves the low grade ore and gets all wrapped up chemically with the steel of the automobile, and the result is that both the steel and low grade ore become magnetite . . . This magnetite is an excellent feed material to make steel."

* * *

Here in the Upper Peninsula yet another potential use for scrapped cars has been advanced by officials of the Northern Automatic Electric Foundry. They propose to use junked car bodies in the manufacture of small castings in the plant they plan to construct at North Lake near Ishpeming. Use of a new electric arc furnace will make it possible for the foundry to use lower grades of steel scrap than can be used in conventional foundries, and this would be in the form of junked cars.

It is believed that the plant will employ approximately 200 men in the activation of the scrap industry throughout the Upper Peninsula to supply the foundry and that it will be directly responsible for greatly reducing the estimated 150,000 automobiles now filling junk yards in the Peninsula.

None will mourn the passing of the automobile scrap yards and all should be doubly pleased that the disappearance of these jalopy graveyards will improve this North Country both economically and esthetically.

$178 Million Loss Estimated For Alaska Flooding

FAIRBANKS, Alaska (AP) — The U.S. Army Corps of Engineers has officially estimated damage from last week's flood at a little over $178 million, with about $153 million of that total in the Fairbanks area.

The reckoning came as Alaskan residents raced to clean up, dry out and rebuild before the onslaught of freezing temperatures in mid-September.

Already more than $6 million in contracts and purchases to rush repairs has been let by Army engineers.

Anticipate Mao Fall

By LEON DENNEN

NEW YORK—(NEA) — According to a secret Soviet radio called Peace and Progress, some high-ranking Peking officials are planning to escape from China.

If the Russians are to be believed, Mao Tse-tung's fall is imminent. At any rate, the Russians are acting on that assumption.

"Internal strife and quarrels among Mao Tse-tung's close associates will in the end inevitably lead to the disappearance from the Peking political scene of many of the Maoist elements," the clandestine radio said in a Chinese broadcast.

"Some high ranking officials who have no confidence in the firmness of the Mao Tse-tung government are actively preparing to retreat or escape from China."

This may be wishful thinking in Moscow. But, for the Russian Marxist-Leninists, the wish is often father to the act. They are apparently convinced that Mao's government is disintegrating and they want to stage a power comeback in China when he falls.

The Russians take no chances. Having failed in their efforts to convene an anti-Chinese world Communist conference, I learn that they are now sending Soviet agents to China's remote and unruly provinces.

Most of the agents are Red army officers of Chinese and Uzbek origin. Reportedly trained at a special school in the Soviet Republic of Uzbekistan, they are infiltrating China through the Sinkiang province where Mao's Red guards are known to have engaged in military skirmishes with Russian military detachments. Their assignment is to help anti-Mao Communists to foment disorder and seize power wherever possible.

Moscow obviously has information about China's internal struggles that is not available in the West. According to the clandestine radio, Mao and his entourage have a jet plane ready at all times to facilitate their flight from Peking.

"Those rotten and infamous leaders have begun to deposit money squeezed from the people in neutral banks in Switzerland," the radio reported.

"Latest reports from Geneva reveal the Mao Tse-tung ruling clique has opened special accounts in the banks of Geneva and that their agent in Switzerland is Fei I-ming, publisher of the newspaper Kung Pao in Hong Kong."

The Russians also claim to have information that many leaders of China's "cultural revolution" have smuggled funds into West Germany and other foreign countries.

"This is a top secret," the Soviet radio report said. "But it proves again that Mao Tse-tung and his clique are exceedingly worried about the day when the Chinese people will fully realize how their false leaders in the past few years have ruined the Communist party and have placed China to economic bankruptcy."

Soviet information about Red China should, of course, be taken with a grain of salt. But the radio report is also significant as a revelation of Moscow's plans should Mao fall.

Recent Soviet action makes it clear that the Russians are using their enormous resources to topple Mao. They are obviously determined to be in Peking before Nationalist China's President Chiang Kai-shek or the United States get there.

Michigan Foods Are Displayed In Cologne, London

LANSING (AP) — Michigan farm products will be on display to tempt food buyers at Cologne, Germany, and London, England this fall, reports the State Agriculture Department.

A booth displaying Michigan-grown apples, cherries and onions will be set up at the Cologne Trade Fair Sept. 30-Oct. 8.

Apples, cherries, onions, peppers, pickles and cauliflower from Michigan will be displayed at the London Trade Fair Oct. 12-20.

The cost of the exhibits is shared by the State Agriculture Department and several groups hoping to promote markets for Michigan crops.

3 ♦	Pass	4 ♦	5 ♣
Dble	Pass	Pass	Pass

Opening lead—♦ Q

If you ever get into an argument with your partner and the argument progresses to the point where a bet is made you will do very well if you bet that your partner did something wrong. If you make a mistake and bet that you were right then you are likely to lose because on most argumentative occasions an impartial referee is likely to rule that both partners were wrong.

Of course, if you bet on degree of guilt the chances are that one partner is more guilty than th other.

West opened the queen o diamonds against the contrac of five clubs doubled. East played the four. West continued the suit whereupon South ruffed, cashed his ace-king of trumps and ace of spades. Then he led a spade to dummy's king, ruffed a third spade, went back to dummy with the ten of clubs, discarded two hearts on the good spades and made his contract.

West felt that East should have won that first diamond and led back a heart. East pointed out that he had played his lowest diamond and that West should have shifted to a heart. We were asked to adjudicate and our verdict is that both partners went wrong but that East was far more guilty.

East had bid brilliantly and succeeded in pushing South one beyond his depth. West had made a free bid of three diamonds and doubled five clubs and East should have known that diamonds would not go around twice. Therefore he should have won the diamond and led a heart. On the other hand West also should have led a heart at trick two. He could be sure that his partner would hold either the ace or queen of hearts and that a heart shift could not be wrong.

Pass	Pass	1 ♠	2 ♣
Pass	3 N.T.	Pass	?

You, South, hold:

♠K 9 ♥A J 5 4 ♦4 3 2 ♣K 10 7 6

What do you do now?

A—Pass. Your partner has shown a good hand but he has not shown any slam interest, so you should stop right here.

TODAY'S QUESTION

West opens one club. Your partner doubles and East passes. You hold:

♠K 9 ♥A J 5 4 ♦4 3 2 ♣K 10 7 6

What do you do?

Answer Monday

Letters To The Press

Contributions are welcome. They cannot be over 550 words and must be signed with name, address and phone number of writer and names will be used. The right to condense letters is reserved.

CHANNEL 3

Recent news stories in your paper have reported the application now on file before the Federal Communications Commission to establish a television station in the Escanaba area, utilizing Channel 3, which was assigned to Escanaba many years ago as a part of the national allocation plan. This station would be constructed by the operators of Channel 5, Green Bay, and would bring programs of another major network to the Central Upper Peninsula area.

It is my understanding that the Escanaba City Council and the Escanaba Chamber of Commerce have been requested by certain interested parties to oppose the granting of this station license, in the form of a letter of opposition to be forwarded to the FCC.

My purpose in writing is to point out that this important matter is now scheduled to come before the Escanaba City Council at its next regular meeting on Thursday, Sept. 7. Representatives of the applicant and of the opposition have been invited to express their views, and I am sure that the Council would appreciate an expression of opinion from interested citizens so that their action may represent a majority opinion.

I am sending a copy of this letter to Mr. Charles Sedenquist, chairman of the Delta County Board of Supervisors, as I believe the assignment of this public communication channel is of concern to the people of Delta County as well as to the citizens of Escanaba proper.

Many homes in the county area are now limited in their reception, since they are outside the areas served by community antenna systems. The desire of this segment of our population, as well as the best interest of the people of the surrounding Upper Peninsula area, should be taken into consideration even though the actual channel assignment has been made to Escanaba.

Jack Foster
Foster Electronics
1004 S. 10th St.

In regards to the controversy of closing the Delta Nursing Home, this little reading is quite timely and expresses better than we the care needed for our grandma and grandpa.

GRANDMA

Who will take Grandma? How will it be?
All of us want her, I'm sure you'll agree . . .
What? Nobody wants her? Oh yes there is one.
Willing to give her a place in the sun . . .
Pretty soon now, God will give her a bed,
But who'll dry our tears, when dear Grandma is dead?

Ann Landers

Only Shaved Head! Pied Girl Is Lucky

Dear Ann Landers: Our 18-year-old-daughter is very attractive and has always been popular. We sent Marylou to a fine school last year where she joined a sorority.

In June I drove up to bring her home for the summer. When she left the sorority house she was noticeably upset and ran out in a hurry, avoiding farewells. When we drove off, Marylou broke into sobs and I couldn't get her to talk for half an hour. Finally she removed her head scarf and I was horrified. Her hair had been cut short and the letter W was shaved on the top of her head.

Marylou tells this story: The night before, she returned from a date inebriated and then passed out. When she awakened she discovered what her sorority sisters had done to her. She claims it was because she had dated a fellow who had been previously pinned to one of the girls. Frankly, I wonder about this.

Now the question: Should Marylou return to that school? She wants to go back but not to the sorority house. I say she is ruined on that campus and would be better off elsewhere. What is your opinion? — S. M.

Dear S. M.: The decision should be hers, but I am inclined to agree with you. Mother. The sorority girls sound vicious and cruel and you can be sure that the barbering episode received wide coverage.

More to the point, however, Marylou will do no better elsewhere unless she swears off the sauce. A girl who gets smashed and passes out is lucky if nothing worse happens to her than a shaved head.

* * *

Dear Ann Landers: Please print this message to all parents of children who have emotional problems.

I am a girl 18. For a long time I was depressed and unhappy. I asked my mother if she would send me for counseling but she refused. She said I was "going through a stage" and I would outgrow it. I know now that she didn't want to send me because it would make her look like a failure as a mother.

Finally I was afraid I might commit suicide so I went to my teacher. That wonderful woman arranged counseling on the sly.

After eight months of hard work no miracles have been accomplished, but I am learning to live with myself and with others. I am determined to continue the sessions as long as is necessary because I have a beautiful future to work for.

I feel no bitterness toward my mother — I am sorry for her. I am deeply grateful to my teacher and my counselor and to a family friend who is paying for my therapy. (One day I'll pay her back.)

Please tell all parents that if their kids ask for help, to swallow their pride and let them have it. After they reach adulthood it may be too late. — ON MY WAY.

Dear On Your Way: When parents ask me if they should agree to let a child get professional help I always encourage it. The child who ASKS is half cured because he wants to be well. Thank you for your letter, honey. I am proud of you for meeting your problem head-on and slugging it out.

* * *

Confidential to So In Love: THIS is love? You can't stand him when he's drunk and he can't stand you when he's sober. Forget it, Doll.

* * *

What awaits you on the other side of the marriage veil? How can you be sure your marriage will work? Read Ann Landers' booklet "Marriage — What To Expect." Send your request to Ann Landers in care of your newspaper enclosing 50c in coin and a long, stamped, self-addressed envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper, enclosing a self-addressed, stamped envelope.

Four Rescued From Lake

Four Lower Michigan young people were rescued from Indian Lake, 1½ miles west of the State Park beach, Wednesday afternoon when their 12-foot boat overturned.

Dominic Sherony and Elmer Carlson, fisherman, came upon them in the water and picked up the operator, Greg Olson, 18, of Mount Pleasant, who had recovered a boat cushion and was swimming to shore, and three other passengers. They had been in the water, reported to be over their heads, 1½ hours. All were treated at Schoolcraft Memorial Hospital for exposure and shock.

Passengers with Olson were Philip Peterson, 19, of Dearborn Heights, Pamela Peterson, 17, of Dearborn Heights and Carol Nycz, 15, of Lincoln Park.

State Park personnel called the State Police. Olson reported he had attempted to turn the boat, about 2 p.m., and that a wave came, causing it to overturn.

The boat, powered with a 9½ hp. motor was recovered by John Bokros, marine deputy.

Garden Peninsula

St. Anthony's Circle

St. Anthony's Circle of Kates Bay met at the home of Mrs. Lawrence Anderson recently. The meeting was followed by a social hour. Guests were Mrs. Leonard King of Detroit, Mrs. John Kiel of Livonia, Mrs. Edna Montgomery, Detroit, Mrs. Ida Paulson and Mrs. Mary Pardee of Garden. The next meeting will be held in September at the home of Mrs. Alpha Thibault.

Kathy LaButte, daughter of Mr. and Mrs. Hartley LaButte returned home after visiting for a week in Flint and Clarkston.

Mr. and Mrs. William F. Sharp and sons, William F. Jr. and Andy returned Sunday to Rockford, Ill. after spending 10 days with his parents, Mr. and Mrs. Fred Sharp.

Return Home

Mr. and Mrs. William Swaer Jr. and children Julie, Kelly, Steven, and Brian, Mr. and Mrs. Gordon Swaer of Green Bay returned home after visiting Mr. and Mrs. William Swaer.

Mr. and Mrs. Joseph Sawyer of Hammond, Ind. visited the Earl Cotas. Mrs. Sawyer is Mrs. Cota's aunt.

David and Charles Paulson returned home after visiting in Detroit and Tennessee. Mrs. Dottson and Jerry Dottson of Detroit are visiting Mr. and Mrs. Ed Paulson.

Mrs. Joe Cousineau and Mrs. Lorraine Moore of Wisconsin Rapids, Mr. and Mrs. Henry Troyer and son from Iron Mountain visited Mr. and Mrs. Sid Lucas.

Kathy LaBute, Lana Lucas and Mrs. Harvey Patz returned home after visiting Mrs. Larry Stelmach at Clarkston, and Mr. and Mrs. Marshall Patz in Linden, Mich.

Hospital

Hartly LaBuit returned home after spending 30 days in Manistique Schoolcraft Memorial Hospital.

Mrs. Alex Busch and family and Mrs. Marie Gardner of Manistique were Sunday visitors at the Rufus Spaulding home.

Mrs. Grover Spaulding and daughter Nancy Jean left by plane Thursday for Detroit where Mrs. Spaulding will enter the Ford Hospital and Nancy will stay with relatives in Dearborn.

Mrs. Dixor Dies Friday

Mrs. Albert (Harriet) Dixon, 83, of 135 S. Mackinac, died at 1:40 p.m., Friday in Schoolcraft Memorial Hospital.

She was born in Thompson, April 24, 1884 and had spent most of her life in the Manistique area. She was the former Harriet Kinnee. Her marriage took place in Thompson in 1904.

Mrs. Dixon was a cook at the the former Shaw Hospital and in the Manistique Public Schools in earlier years. She was a member of the First Methodist Church, the WSCS and the Moms of America chapter.

Mr. Dixon died Dec. 17, 1931.

Surviving are two sons, Clyde in Atikokan, Ont., and Chester in Manistique, two daughters, Mrs. Edward (Dorothy) Cook, Manistique and Mrs. Raymond (Doreen) Larson, Linden, Mich., 16 grandchildren and 24 great grandchildren.

Friends may call at Messier-Broullire Funeral Home beginning at 3 p.m., Sunday. Services will be conducted in the funeral home Monday at 2 p.m. and burial will be in Lakeview Cemetery, Rev. Roy Pitts will officiate.

In Service

Joseph R. Davis, 22, whose parents, Mr. and Mrs. Joseph N. Davis, and wife, Carrol, live at 630 Garden Ave., Manistique, was promoted to Army specialist five while serving with the 9th Infantry Division Artillery in Vietnam. Spec. Davis, a radio operator in the division artillery's Headquarters Battery, entered the Army in Jan. 1966 and was stationed at Ft. Riley, Kan., before arriving in Vietnam last February. He is a 1963 graduate of Manistique High School.

★ ★ ★

Jack M. Weinert, 24, son of Mr. and Mrs. William A. Weinert, Star Route, Manistique, was commissioned an Army second lieutenant after graduating from the Infantry Officer Candidate School, Ft. Benning, Ga. He was trained in leadership, tactics of small infantry units, and use of infantry weapons. He also received instruction in map and aerial photograph reading, guerrilla warfare, and counterinsurgency operations.

★ ★ ★

Airman 2/c Robert W. McNeil, son of Mr. and Mrs. Donald C. McNeil of Gould City, Mich., has arrived for duty at Kincheloe AFB, Mich. An air traffic controller, McNeil previously served at Da Nang AB, Vietnam. He is a member of the Air Force Communications Service. The airman is a graduate of Engadine High School. His wife, JoAnn, is the daughter of Mrs. Leonard McGraw of St. Ignace, Mich.

★ ★ ★

Army Pvt. James W. Chartier, 23, son of Mr. and Mrs. Leo J. Chartier, 208 Chippewa, Manistique, has completed an eight-week general supply course at Ft. Leonard Wood, Mo. He was trained in maintaining stock records for the receipt and issue of supplies and materials. He also learned typing and general administration procedures and storing of various Army supplies.

Hospital

Admitted to Schoolcraft Memorial Hospital: Bonita Witt and Jon Decker.

Discharged: Beatrice Ortt, Edgar Smith, Lloyd Kimpf, John Salter, Ruth Nylander, Madge Beckman, Dorothy Taylor and Charles Price.

Briefly Told

Application for a marriage license has been made by William Klinke, 218 Schoolcraft and Lydia Napier, Thompson.

NEED THE RAIN

Plants need more water in summer and in hot climates because they lose more moisture to the air when it is hot and there is much sunshine.

The family of
Mrs. Albert Dixon
requests that memorials in her name
be directed to the
First Methodist Church.

MR. AND MRS. WILBUR COWELL of Kipling announce the engagement of their daughter, Marianne, to Donald P. Poe, son of Mr. and Mrs. B. H. Poe, 1813 Forest Road, Durham, N. C. Miss Cowell is a 1962 graduate of Holy Name High School and is employed by the Mead Corporation. Her fiance is a 1962 graduate of Durham High School and attended North Carolina State University before entering the U. S. Air Force. He is presently stationed at K. I. Sawyer AFB. A wedding date has not been set. (Riding's Studio)

JALENE PETERSON, daughter of Mr. and Mrs. Stanley Peterson, 331 N. 16th St., is participating in the "Preface to the Present" national conference of the National Federation of Catholic College Students, Aug. 20-26 in New York City. The conference is attempting to bring about some of the most significant changes in Catholic student movements in 30 years. Miss Peterson is a student at Cardinal Stritch College, Milwaukee, majoring in sociology and special education.

Matching Paper Dresses For Dog, Mistress

NEW YORK (AP)—The fabulous creature in the silver lame paper evening dress, blonde wig and thick, false eyelashes is:

A. A woman. B. A dog. C. Either one.

If you checked "C", you've probably visited Dogs of Distinction, Inc., a Manhattan pet shop whose latest creations are matching paper dresses for a dog and its mistress.

"At the moment the dresses come in eight different styles," says Estyne Del Rio, the shop owner. "The price range is $3.98 to $18 for the dresses for the lady and $1.69 to $3.95 for the dresses for the dog."

Miss Del Rio, a dancer and actress before she got into the pet-shop business last June because "I've always loved animals," says sales of the matching dresses are going well and that she hopes to expand the line. It currently is heavy on polka dots, solids, stripes and silver and gold lame.

It's estimated that there are 25 million dogs in the United States, and that Americans spent an estimated $550 million last year buying them accessories.

For the woman who wants her dog to be really high-fashion, Miss Del Rio, a Chicago native also sells dog wigs. They're available in several colors and range in price from $5.95 to $14.95, depending on whether they're made of artificial fiber or human hair.

"You can't use animal hair," Miss Del Rio says. "The dogs would know the hair came from a dead animal and it would upset them."

For the dog lover who wants neither wig nor dress for her pet, the shop offers such items as a pink, dotted swiss granny bonnet at $3.50; a bright red snowsuit with bonnet at $12.95; or a pair of sunglasses at $1.98. For $250, a mink dog coat is available.

"For many women," says Miss Del Rio, "dogs take the place of children. They give the dog the same affection and love they would give a child."

Stephen Moraco Participates In String Workshop

Stephen Moraco, son of Mrs. Beverly Moraco of Escanaba, participated recently in a string workshop held at Mankato State College, Mankato, Minn., which was directed by Dr. Shinichi Suzuki of Matsumoto, Japan.

Steve was one of 10 youngsters to whom Dr. Suzuki demonstrated his approach to string instruction before an audience of more than 60 music educators from many parts of the United States.

The Talent Education method of violin instruction created by Suzuki and now involving more than 6,000 students and 125 teachers in Japan, has received high acclaim by American musicians and educators.

The demand for Talent Education instructors has grown very rapidly in the United States and Japan, and because there are few training programs in the United States, a workshop with Suzuki instruction educators is a welcomed event.

Through the efforts of Dr. Howard Van Sickle, president of the American String Teachers' Association and professor of music at Mankato State College, Suzuki was brought to Mankato to conduct the workshop.

Suzuki teaches children from the age of three years to any age desired and believes that he can start any child to play the violin in a musically sensitive way if the home environment is right.

He explains that the child can learn to play the violin in the same way that he learns to speak—through the repeated efforts of his mother to teach him to speak.

Steve was commended on his, "fine bowing arm", by several music educators present. He has studied with Mrs. George Embs and Mr. Robert Chase of the Escanaba Area Public Schools music faculty.

Steve will be in the sixth grade at Ford River Elementary School this year.

Miss Diane Oliver left by plane on Monday morning for Jefferson, Texas after visiting for a week with her parents, Mr. and Mrs. John Oliver, 113 S. 5th St. and her sister, Mrs. Vernon Buckland of Flat Rock.

Women's Activities

Bonnie Ann Carey Wed To Herman J. Shea

St. Thomas Church in Escanaba was the setting today, Aug. 26 for the wedding of Miss Bonnie Ann Carey and Herman Joseph Shea of Escanaba.

The 11 a. m. double ring ceremony was solemnized by Msgr. O'Neil D'Amour. The bride is the daughter of Mrs. Bernice M. Carey of 1112 2nd Ave. N. and the bridegroom is the son of Herman J. Shea Jr., 1431 Sheridan Rd.

Chantilly Lace

The bride chose a white Chantilly lace gown fashioned with an Empire bodice, satin piped long tapered sleeves and a scoop neckline edged in pearls. Her chapel length train was attached to the back shoulders.

A silk organza headpiece held her bouffant veil of silk illusion and she carried a bouquet of white carnations and red rosebuds.

Serving as maid of honor for her cousin was Miss Lynn Leonard of Escanaba and bridesmaid was Miss Kathy Carey, Escanaba, sister of the bride.

They were attired in floor length Empire styled gowns of ming blue sheer with an underlay of lace on the bodices. The neckline formed a deep V in back and featured a fly-away back panel.

They wore ming blue rosette headpieces with circular veils and their short white gloves and silver heart necklaces were a gift of the bride. They carried bouquets of ming blue tinted carnations and mums.

Serving as bestman was Thor Nelson of Escanaba and groomsman was Kenneth Carlson, Escanaba, a nephew of the bridegroom. Performing ushering duties were Gary and Robert Carlson of Escanaba, nephews of the bridegroom.

Mothers' Attire

The mother of the bride attended the wedding attired in a three piece ensemble of ming blue and turquoise brocade satin. White accessories complimented her attire and she was presented a corsage of blue tinted carnations and mums.

The wedding reception is being held from 4 to 8 p. m. today at the Eagles Club followed by a dance from 8 to 12 midnight. Assisting at the reception are Cindy McGeary, Sandy Kennedy and Kathy Carey.

Following a honeymoon trip to an undisclosed destination, the newlyweds will reside in Escanaba. The bride is a 1965 graduate and the bridegroom a 1962 graduate of Escanaba High School.

St. Joseph's Nursing School Enrollment Up

Total student enrollment at St. Joseph's Hospital School of Nursing in Hancock will be higher this year than in many years past. A total of 60 students will commence their studies this fall with orienta- Sept. 11 and for new freshmen on Sept. 13. Additional clinical facilities at St. Joseph's and in the surrounding area have made it possible to increase the freshmen class from a usual 20 admissions to 25. In an effort to combat the growing shortage of nurses the school is now admitting married and older women as well as increased numbers of recent high school graduates.

The program offered at St. Joseph's is a technical nursing program preparing graduates to become registered nurses able to give direct patient care in hospitals, nursing homes and home health services. Recent association with Michigan Tech in Houghton makes it possible to offer students benefits of college life combined with nursing education, although St. Joseph's is not conducting a degree in nursing.

Flood Bulletin

In cooperation with civil defense authorities, the Salvation Army is rendering around-the-clock service in the flood-stricken Fairbanks, Alaska area according to word received today.

Dangerous flood waters fed by record rains have created disaster conditions. All roads leading into Fairbanks are under water. All women and children have been evacuated from Nenana. Salvation Army personnel are coordinating housing for evacuees in Fairbanks. Salvationist disaster workers were flown into the Nenana area, where they have set up feeding depots.

Theater Party Honors Scott Romneys Tonight

BLOOMFIELD HILLS (AP)—Doves, dyed pink, and a fountain bubbling with fruit punch greeted guests at a reception Friday night for Michigan Gov. George Romney's son, Scott, and his new bride.

The wedding reception, first of three to be held this week, brought 300 of the nation's industrialists and business leaders to the Bloomfield Hills Country Club.

Young Romney and the former Ronna Eileen Stern were married Wednesday in Salt Lake City at Temple of Church of Jesus Christ of Latter-Day Saints.

The couple stopped briefly in Chicago before returning here for a round of festivities.

Auto titans and their wives who attended Friday night's reception included Ford Motor Co. Board Chairman Henry Ford II, Chrysler Corp. President Virgil E. Boyd, Chrysler Board Chairman Lynn A. Townsend, and General Motors Vice Presidents Semon E. Knudsen, George Russell, Edward N. Cole and Roger L. Kyes.

Today, Ronna and Scott and their out-of-town guests are being honored at a brunch and pool party, followed by a theater party. Sunday, Ronna's parents, Mr. and Mrs. Will Harry Krause, will entertain at two wedding receptions, each for 200 guests, at their home in nearby Birmingham.

Then the couple will fly to New York for a few days before heading to Bermuda for a two-week honeymoon.

They'll return here long enough to pick up Ronna's 3-year-old son by a previous marriage, then go to Cambridge, Mass., where they'll reside for the next two years while Scott is in Harvard Law School.

Mrs. Paul David Sabourin (Gordon Nelson Photo)

Judith A. Bellefeuil, Paul D. Sabourin Wed

Miss Judith Ann Bellefeuil became the bride of Paul David Sabourin during a ceremony performed at 12 noon on Saturday, Aug. 12 at St. Francis Xavier Church in Spalding.

Officiating at the double ring nuptials was Rev. Aloysius Allinger. Parent of the couple are Mr. and Mrs. Harvey Bellefeuil of Wilson and Mr. and Mrs. Louis Sabourin of Rte. 2, Bark River.

Aqua Sheer

Attending the bride were Mary Bellefeuil, maid of honor for her sister and Janice Smith and Sandra Gardner, bridesmaids. They wore aqua floor length gowns of nylon sheer over taffeta styled with elbow length sleeves and detachable panel trains.

Cabbage rose headpieces trimmed with sequins and pearls secuted their short veils and they carried bouquets of pink carnations, forming a single stem, and centered with a single pink rose.

The bride selected a white floor length gown of white nylon sheer over taffeta fashioned with an Empire waistline, elbow length sleeves and a center applique on the bodice. Her lace edged chapel train was attached at the shoulders.

Tiered Crown

A souble tiered crown of appliqued flowers held her elbow length veil silk of illusion and she carried a bouquet of white carnations and pink sweetheart roses.

Serving as bestman was Richard Sabourin and groomsmen were Lawrence Knauf Jr. and Bernard Gardner.

The wedding reception was held from 4 to 8 p. m. at Marco's Starlight Room followed by a wedding dance.

The newlyweds honeymooned at Mackinac Island and also toured the Upper Peninsula. They are now at home at 616 S. 10th St., Escanaba.

Buy Bonds where you work.

She does.

Dorothy Jungerman works in Long Binh, Republic of South Vietnam. As a nurse with the U.S. Army, she serves her country's soldiers—and also Vietnamese civilians like young "Ngoc." Dorothy invests regularly in U.S. Savings Bonds, too (as do more than seven out of ten of our military personnel in Vietnam). There's a good way for you to show brave Americans like Dorothy you're with them: Buy Savings Bonds where you bank or join the Payroll Savings Plan where you work.

Freedom Shares—new plan for Americans who want to help their country.

Now, when you join the Payroll Savings Plan or the Bond-a-Month Plan, you are eligible to purchase new U.S. Savings Notes, "Freedom Shares," as a bonus opportunity. Freedom Shares pay 4.74% when held to maturity of just four-and-a-half years (redeemable after one year), and are available on a one-for-one basis with Savings Bonds. Get the facts where you work or bank.

Join up. America needs your help.

Attend the Church of Your Choice

THE JOY OF LIVING

Copyright 1967 Keister Advertising Service, Inc., Strasburg, Va.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Ever notice how some people associate *the joy of living* with moments of care-free relaxation, while others seem to find equal happiness in both work and leisure?

Which seems most natural? Was man created with the capacity for finding happiness in his spare time only or was he endowed with a genius for reaping joy from both work and play?

Before anyone surrenders to the cynicism of the first theory, he owes it to himself, his neighbors and his God to give the second a real try.

For centuries the Church has been helping men to discover the deep and lasting joy of purposeful living. When your life has a purpose, linked to the Purpose of God . . . then every day reveals anew the joy of living!

With RAY CRANDALL

The heavyweight on the Gladstone High School football team this season is Mike Maniaci, a senior who will alternate at fullback and tackle for Coach Don Pfotenhauer . . . Maniaci tips the scales at 225 pounds . . . The only other player on the squad topping 200 pounds is junior tackle John Watson at 210.

★ ★ ★

Lake Linden, a school that gave up football a few years ago and then made a fine comeback with a 6-2 record last fall, will play an ambitious schedule this season . . . In addition to playing teams in its own area, Lake Linden will travel for games at Florence, Wis., Escanaba Holy Name and Engadine.

★ ★ ★

The last Upper Peninsula prep team to see football action this fall will be St. Ignace . . . The Saints have booked a game on Nov. 4 at downstate Traverse City St. Francis . . . Most U. P. teams will wind up the season on Oct. 20 and a few will play their last games on Oct. 28 . . . The Escanaba-Holy Name game will be played on the latter date.

★ ★ ★

Coach Pete Tinsley of Florence, former Green Bay Packer tackle, has 18 lettermen among 33 candidates for his football team this season . . . The Bobcats fashioned a 3-5 record last year . . . Percy Smith, former Ironwood athlete and head basketball coach at Florence, will serve as Tinsley's grid assistant.

★ ★ ★

Dick Bull, Marinette golf pro, finished in a tie for fourth place in the Wisconsin Open golf tournament played recently at Eau Claire . . . Winning the event was his brother, Steve Bull, of Menominee . . . President of the Wisconsin Professional Golf Association is Dick Drennen of Madison, former Escanaba Country Club professional.

Hiller Fires Mound Gem For Detroit

KANSAS CITY (AP) — Two starts, two finishes and two shutout victories.

That's the record for John Hiller, a husky lefthander the Detroit Tigers brought up from Toledo earlier this year as a relief pitcher.

Hiller started his second game for the Tigers Friday night at Kansas City and came out of it with a six-hit shutout and a 3-0 victory.

Home runs by Dick McAuliffe, Bill Freehan and Ed Mathews provided the punch for the Tigers.

Hiller cut his ERA to a nifty 1.25 and ran his record to 3-0.

And look at Mathews. The veteran National League slugger, acquired from Houston when third baseman Don Wert was injured, has hit two home runs, is batting nearly .400 and has driven in five runs.

Mathews cracked one over the high right field wall at Kansas City, driving it about 425 feet from home plate. The blow was his 505th and moved him to within six of Mel Ott, sixth on the all-time homer list.

The victory left Detroit in fourth place, 1½ games behind first - place Minnesota which took the lead after Chicago and Boston split a doubleheader. Boston and Chicago are in a virtual tie for second, both a half-game off the pace.

Mathews is only the eighth player to bang one over the Kansas City wall.

McAuliffe hit his 21st homer in the first inning and it turned out to be all Hiller needed.

Freehan cracked his 17th in the second inning and Mathews led off the seventh with his homer.

Hiller shut out Cleveland Sunday in his first major league start. Friday he beat Chuck Dobson, a 23-year-old righthander whose record fell to 8-8.

The Tigers again played without ailing Willie Horton. Lennie Green took his place in left field.

Norm Cash, who broke out of a slump with a home run in Detroit Thursday, cracked a double in the sixth, but died on second.

Hiller gave up singles to Danny Cater and Jim Gosger in the second inning, but struck out Phil Roof to end the inning. Roof doubled in the fifth, but got no further.

Kansas City got two more hits in the sixth and a man as far as third, but Dick Green popped out to end the inning.

Dean Chance Pitches No-Hitter As Twins Move Into First Spot

By The Associated Press

The scene was so All-American that only the Fourth of July was missing. First place was at stake, there was a call from the vice president and even Dean Chance's mom was in the crowd.

Chance threw a no-hitter at Cleveland in the second game of a twi-night doubleheader Friday that enabled Minnesota to sweep into first place in the American League.

Only the score spoiled it; the Indians got a run without a hit in the first inning, and the Twins won 2-1. They took the opener 6-5.

Chance threw a hitless game earlier this month, but it was rained out after 4½ innings so it won't go into the record book. This one, though, was the real thing.

Hubert Humphrey, head of the Washington branch of the Minnesota fan club, was on the phone just after the game ended and had some nice things to say to the 26-year-old right-hander.

And Dean's folks had driven up from their home in Wooster, Ohio, some 50 miles south of Cleveland.

"I know it sounds kind of corny," said Chance, "but my mother has been my greatest fan. I'm glad she was in the crowd."

Elsewhere in a full American League schedule, Boston and Chicago split 7-1 and 1-2, Detroit blanked Kansas City 3-0 and New York took two games from Washington 7-5 and 2-1. The California-Baltimore doubleheader was rained out.

In the National League, Philadelphia won a pair from Pittsburgh 2-0 and 6-2, Cincinnati beat Houston 2-1, Atlanta edged San Francisco 5-1 and Los Angeles split with St. Louis, winning 2-1 before losing 4-1. New York and Chicago were rained out.

Chance struck out eight, but gave up five walks and two of those were what helped the Indians to their run. Lee Maye and Vic Davalillo led off the first with walks and an error by Cesar Tovar loaded the bases. Maye then scored on a wild pitch.

The Twins scored in the second off Sonny Siebert when Tony Oliva singled and scored all the way from first on Harmon Killebrew's single. Tovar scored on a balk with the winning run in the sixth.

In the first game Oliva scored on Killebrew's triple in the 10th and Sandy Valdespino drove in Harmon with a sacrifice fly. Joe Azcue homered in the bottom of the inning for the Indians.

Boston jumped all over Gary Peters in the first game in Chicago and George Scott pounded out four hits. Carl Yastrzemski and Reggie Smith each had two. Jim Lonborg picked up his 17th victory.

In the nightcap, Ken Berry drove in the winning run for the White Sox with a single. Berry had homered in the sixth to give Chicago a 1-0 lead, but Smith tied the game in the eighth with a run-scoring single. Each club is now half a game behind the Twins.

Detroit got six-hit pitching from rookie John Hiller and homers from Dick McAuliffe, Bill Freehan and Eddie Mathews. The Tigers are in fourth place, 1½ games out.

Bob Tillman drove in three runs for the Yankees in the first game, and Mel Stottlemyre, 13-10, was the winner. The Yanks scored on a passed ball and Bill Robinson's single to win the nightcap.

PRETTY MISS CATIE BALL has been improving steadily and is one of the United States favorites in the breaststroke at the 1968 Olympics. She holds world records at 100 and 200 meters. Catie, 15, is from Jacksonville, Florida.

Duffy To Let Phillips Play

EAST LANSING (AP)—A defensive star facing sentencing on a bad check charge will continue to play football for Michigan State this fall, says Coach Duffy Daugherty.

"I felt Jess was worthy of our help," Daugherty said of defensive halfback Jess Phillips, a senior from Beaumont, Tex.

"If the coaches can't stand behind their players, I don't know who can," Daugherty said.

Phillips pleaded guilty to forgery charges earlier this week at Kalamazoo in connection with passing a bad check. He will be sentenced Oct. 16, but meanwhile has been invited back for the fall practice starting Sept. 1.

"I felt it was my responsibility as a coach to invite him back for fall drills," Daugherty said.

"I'm not in this business to wreck someone's life. If I thought it would help Jess not to let him play I would. But I think it would have just the opposite effect on him," he said.

Daugherty said he wasn't asking Phillips back because he is a first-string player. Phillips played in the Rose Bowl as a sophomore and last year as a junior was fourth in the number of tackles made on defense.

"I want you to know that I'd do the same thing for a fourth-stringer," Daugherty said. "I've done it in the past."

Minor League Soap Sale Is Rated Success

The annual Escanaba Minor League's soap sale was termed a success by Jerry Nelson, league president and general sale chairman.

This concludes the Little League program for 1967 and it is hoped that the 1968 season will start out with the revival of the Little League recognition banquet. Graduating players of Litle League and all minor league players are urged to turn in their uniforms to their managers.

Top salesmans in the soap promotion were Doug Laviolette, Jim Nevala, Tom Jaeger, Tom Ohman, Bob Meiers, Jim Sivertsen, Steve Gauthier, Jeff Young, Kelly O'Connell, Fred Shaw and Brian Douglas. These boys are asked to pick up their prizes at the Nelson home at 712 S. 17th St. today.

Exhibition Bowl For Eagle, Bronc Teams?

By The Associated Press

If the National and American Football Leagues really want to do their merger up big, they should conclude their 16-game pre-season series with a Super Exhibition Bowl.

They wouldn't even have to look far to determine which teams should play in such a game.

The Denver Broncos of the AFL were the first to complete their two-game inter-league exhibition schedule unbeaten, posting victories over Detroit and Minnesota.

Now Philadelphia of the NFL has wound up its pre-season part of the merger unbeaten by outlasting Buffalo 38-30 Friday night for its second victory over AFL teams. The Eagles defeated the New York Jets last week.

The two unbeaten teams even have played a common opponent, which is really getting chummy. The Eagles lost to Minnesota 34-0 before the Vikings lost to Denver 14-9.

Going strictly by the scores, that would indicate the Broncos are 39 points better than the Eagles. But score comparisons usually don't work out too well because if you tried hard enough, you probably could determine that East Podunk U. is better than the Green Bay Packers.

The Packers, incidentally, couldn't qualify for the pre-season Super Bowl because they don't have any games with the AFL. Neither, for that matter, does East Podunk.

There was one other exhibition game Friday night, but that was the routine kind — between two teams in the same league.

The upstart Atlanta Falcons, starting only their second year in the NFL, trimmed Cleveland 34-31.

Five games were on today's schedule with NFL Washington playing at AFL Boston in an afternoon contest. Night games have Baltimore at Detroit; New Orleans and San Francisco at Portland, Ore.; Pittsburgh and St. Louis at Nashville, Tenn., and Houston and New York at Charlotte, N.C.

One inter-league game. Los Angeles of the NFL at San Diego of the AFL, will be played Sunday. Also on Sunday's schedule are Minnesota and New York at New Haven, Conn., and Denver and Oakland at North Platte, Neb.

Philadelphia's victory, which came in the last 45 seconds, increased the NFL's lead in the exhibition series to 6-3.

The Eagles' last-minute rally wiped out a rally that vaulted the Bills into the lead 30-24.

With Buffalo trailing 24-20 and six minutes to play, quarterback Jack Kemp came off the bench and on the first play connected with Elbert Dubenion on a 64-yard touchdown pass. Mike Mercer added the extra point, then kicked a 26-yard field goal, giving Buffalo a six-point lead.

But Philadelphia wasn't about to give up. With 45 seconds left, Norm Snead hit Chuck Hughes on a 40-yard scoring toss, and with 11 seconds remaining, Joe Scarpati scampered 40 yards with an intercepted pass for another touchdown.

Scarpati earlier grabbed a Buffalo pass and raced 60 yards for a TD.

That's one man Denver would have to avoid in that pre-season Super Bowl.

Randy Johnson passed for three touchdowns as Atlanta boosted its pre-season record to 2-0-1. Frank Ryan countered with a pair for Cleveland, but that wasn't enough for the Browns.

The Falcons, in fact, had a 34-17 lead until Leroy Kelly scored on runs of two and three yards in the final quarter.

Braves Happy To Have Marichal Back On Giants' Pitching Mound

By The Associated Press

Juan Marichal made his long awaited return, and the Atlanta Braves couldn't have been happier to see him.

The Dominican dandy, who has been plagued by a rash of injuries this season, made his first appearance since Aug. 1 for San Francisco and the braves climbed all over him Friday night.

Marichal lasted just 4 2-3 innings, was tagged for 11 hits and four walks. He was charged with the loss in Atlanta's 5-1 victory, and it left his record at a rather unimpressive 14-10.

Elsewhere in the National League, streaking Philadelphia swept a twi-night doubleheader from Pittsburgh 3-0 and 6-2 to move into fourth place, Cincinnati shaded Houston 2-1 and Los Angeles split with St. Louis, winning 2-1 and then losing 4-1. Chicago's game at New York was rained out.

Woody Woodward and Bob Uecker triggered a pair of two-run innings for the Braves with consecutive singles in the second and fifth.

Phil Niekro benefitted from a 13-hit Atlanta attack and won his ninth game with a six-hitter.

Marichal was no puzzle to the hit-happy Braves, and the damage could have been greater. Atlanta left 12 runners stranded in the first five innings.

Jim Bunning hurled his 37th career shutout and held Pittsburgh to six hits as the Phillies took the first game of the doubleheader. Johnny Briggs' seventh homer produced one of Philadelphia's runs.

In the nightcap, Chris Short won his first game since July 4 as the Phillies completed the sweep. Johnny Callison drove in two runs with a first inning double and then ignited a three-run fourth with a single.

The sweep gave the Phillies five straight victories.

Mel Queen throttled Houston on five hits until the eighth inning, and Ted Abernathy came out of the bullpen to finish up as Cincinnati shaded the Astros.

Queen, who won his 12th game, was forced to leave when his shoulder became sore in the eighth.

Vada Pinson tagged a home run for Cincinnati.

Bill Singer, 9-4, won his seventh straight in the opener and touched off the Dodgers' winning rally with a sixth inning double. Willie Davis followed with a triple for one run and then Lou Johnson's sacrifice fly brought Davis home with the tie-breaking run.

Orlando Cepeda's fourth inning homer snapped a tie game in the nightcap and keyed the Cardinals to their victory. Al Jackson, 8-4, got late inning help from Jack Lamabe and Joe Hoerner to nail down the victory.

Perfect String Finally Snaps

By The Associated Press

For a while, it seemed a question not of whether the Buffalo Bisons would get a hit off Syracuse right-hander Stan Bahnsen but whether they'd ever get another runner to first base.

The last time he had faced the Bisons in an International League game earlier in the season, Bahnsen pitched seven innings without allowing a baserunner.

With two out in the fifth inning Friday night, he was working on another perfect game Then George Perry singled, Len Boehmer homered— and Buffalo eventually wound up with a 5-1 victory.

The Richmond Braves maintained their 1½-game lead over Rochester by beating the Columbus Jets 6-1 while the Red Wings were whipping the Toronto Maple Leafs 4-1. The Toledo Mud Hens beat the Jacksonville Suns 6-3.

Syracuse held a 1-0 lead over Buffalo on Tom Shopay's triple and an error in the first, but Boehmer's homer turned the game around, and the Bisons got another home run from Duke Carmel in the sixth and two runs in the seventh.

Tommie Aaron sent home four runs with a homer, double and single in Richmond's triumph, which ended a five-game Columbus winning streak.

A six-hitter by Tom Timmerman won for Toledo, which rallied from a 2-1 deficit with four runs in the sixth. The big blow was a two-run single by Ike Brown. Two of the three runs off Timmerman were unearned, the result of four Toledo errors.

Rochester broke open its game at Toronto with three runs in the third, with Curt Motton's two-run homer the key hit.

Bowling Notes

There will be a meeting of the City Bowling League, (Monday, 7 P.M.) at the Bowl-A-Rama at 7:30 p.m. Wednesday, August 30. All teams must be represented at this important meeting. Any bowlers or teams interested in joining the league are welcome to attend.

Defending Champs

Eagles To Have Seven Regulars Back In Action

ENGADINE — Coach Rod Carlson has 13 lettermen, including seven regulars, from last year's Eastern Conference championship squad.

Carlson's Engadine Eagles fashioned a perfect 5-0 record in the league and were 7-2 overall last season. A squad of 45 players is practicing daily from 5 to 7:30 p. m. for the season opener at DeTour Sept. 2.

Returning lettermen include Clifford Walmsley, Jim Gribbell, Leon Everhart, Jerry Moe, Bill Barber, Harry McNeil, Daryl Houghton, Mike Schutt, Walter Frazier, Art Hancock, Pat Bigger, Deryl Miller and John Matchinski.

The Eagles won't lack size this fall with Barber at 252 pounds, Walmsley 240 and Everhart 204 in the line and Miller at 221 and Schutt 210 in the backfield.

Biggest job for Carlson is to find replacements for all-conference ends Jack Archie and Roger Nesbit who were lost through graduation. Daryl Houghton will be switched from halfback to one end while the other flanker will be selected from junior John Greenwald, senior Jerry Moe or transfer student Doug Webb, a junior.

"Overall, I look for the conference to be better balanced this year," the Engadine coach observed. "Loretto and DeTour will be traditionally strong, and Pickford and Cedarville should be much improved. Engadine will field a representative team this year," Carlson added.

The Engadine schedule:
Sept. 2—DeTour there
Sept. 8—Cedarville there
Sept. 16—Soo J. V. here
Sept. 23—Brimley here
Sept. 29—Soo Loretto there
Oct. 6—Petoskey St. Francis there
Oct. 14—Pickford here
Oct. 21—Indian River here
Oct. 28—Lake Linden here

Lions To Face Colts Tonight

DETROIT (AP) — The Detroit Lions will try to make it three in a row and answer some more questions about new Coach Joe Schmidt's rebuilding program when they meet the Baltimore Colts tonight.

The exhibition game at Tiger Stadium will be the first against another National Football League team this season. The NFL Lions have played three straight games with American Football League clubs.

First came the shattering loss to Denver, but the Lions came back with successive victories over Buffalo and San Diego.

However, the big question remains. . .How will the new look Lions do against NFL clubs? That's the league where it counts for them.

Exhibition games alone are hard to figure and games against AFL clubs are even harder.

The Detroit defense will get quite a testing tonight with John Unitas running the Colts part time. Rookie Jim Ward will back him up at quarterback.

Schmidt is expected to start Milt Plum. He's got just this game and one more against St. Louis to decide whether Plum or Karl Sweetan will be his starting quarterback.

Plum, an 11-year veteran, has been looking sharp this year with a 63.6 pass completion average in the three games. Sweetan has a 68.3 completion average.

Eskymos Lose Bender With Broken Leg

Bryan Bender, 5 foot 8 inch, 160 pound regular senior tailback in Escanaba's I-formation offense, suffered a broken leg in a scrimmage against Manistique Friday night and will be lost for the season.

Coach Jerry Cvengros stated that Bender was tackled after taking a pitchout from the quarterback and his cleats stuck in the turf.

Bender was removed from the field to Schoolcraft Memorial Hospital and then taken to St. Francis Hospital.

Pass Attack Gets Workout

ANN ARBOR (AP) — Michigan's football squad went through two grueling workouts Friday in 85-degree heat and high humidity.

"By and large, the boys took the heavy workout very well," said Coach Bump Elliott. "We didn't spare them despite the heat. There were no dropouts."

The Wolverines emphasized passing with quarterback Dick Vidmer throwing to Jim Berline, Jim Bandich, Ernie Sharpe and Warren Sipp.

Elliott said a short scrimmage would be held today. Starting Monday, he said, "There'll be plenty of real scrimmage. We've got to see where we stand as quickly as possible."

Sport Short

CHICAGO (AP)—Ken Harrelson, the first baseman fired earlier this week by Kansas City owner Charles O. Finley, Friday agreed to terms with the Boston Red Sox and was added to their roster immediately.

Tech Real Thin At Guard Spots

(Third in a series)

HOUGHTON—A help wanted sign for experienced guards and centers is posted on the wall of Michigan Tech's football office. Among the small number of candidates (10) coming in for the two positions when Tech opens drills Sept. 1, only three players boast any game experience. Of the remaining seven, six are freshmen and one a JC transfer.

"To say we are thin at guard and center is an understatement," says Head Coach Bill Lucier. "However, the three veterans we have are excellent football players. Todd Stewart (Wauwatosa) has earned three letters at guard while sophomores Ron Ray (Minneapolis), a pulling guard, and center Alex Pociask (Wausaukee) won starting positions as freshmen.

"Now I certainly won't ask these three to handle the entire load in 1967, but they make a great base to build on. I expect fine seasons from each of them."

Gary Miller (Grand Rapids) played two years at Grand Rapids J.C. and is rated an excellent offensive guard. His biggest problem will be adapting to a new style of coaching.

Several key freshmen prospects are expected to add depth at guard and center after they get familiar with college football. Included among the new prospects on offense are Dave Zelinski (Roseville), Steve MacDonald (Midland) and Don Moul (Comstock Park). Robert Killewald (Centerline), another first year man, will join the defensive corps.

Two strong frosh candidates are expected to push Pociask at center. Both Walt Stringham (Battle Creek) and Doug Montgomery (Richmond) are rated with the best by Lucier.

A lot of work remains to be done at guard and center before Tech opens its season Sept. 16 here against Alma College.

SPORTS MEMORIES!

Highlights from the world of sports of a decade ago . . . do you remember?

Last Week August 1957

- The Escanaba Little League All Stars are the toast of the Northern part of the nation today after dumping Hamtramck 5-3 at Crystal Lake, Ill, with Jim Bruce and John Lindenthal slamming homers. Escanaba will be one of four teams in the LL world series at Williamsport.
- Elmer Swanson defeated Country Club teammate Tony Cass 2-1 in the annual Tri-Club tournament held at the Highland Golf Club.
- Carolyn Nelson won her third straight Highland Women's championship as she bested Bunny Moersch 8 and 7 in the title match.
- Gloria Lee captured the Escanaba Country Club Women's championship defeating Ruth Needham 7 and 6.

Second Swedish Student Arrives

Per Wahlstrom, 17, of Stockholm, Sweden, arrived in Gladstone Thursday to make his home with Mr. and Mrs. H. R. Von Blaskewicz, and family, 1611 Minneapolis Ave.

Traveling to Gladstone under arrangements made through the Youth For Understanding movement, Per is the second Swedish student to enroll in Gladstone High School for the fall term. Ebba Bondesson of Gothenberg arrived earlier this week to be the guest of the Robert Hupy family.

Per, who will be called Pete by the Von Blaskewiczs since they find it difficult to pronounce his name properly, is the son of Mr. and Mrs. Sven Walhstrom of Stockholm. He has twin brothers, Sven and Bengt, 18 years old, and a sister, Kerstin, 24. Mr. Wahlstrom is a Lutheran minister and Mrs. Wahlstrom is a primary grades teacher.

The Youth For Understanding program interested Per after he talked with a neighbor who had just returned from the United States and since his parents approved of the idea he was able to join the same group which brought Ebba to Michigan.

The Von Blaskewicz have a son Bill, 16, who will be a junior at Gladstone High School and a daughter, Chris, 13, who will enter 8th grade. They were all delighted when they heard on Wednesday that a home was being sought for Per since the home originally designated had been unavailable. Mrs. Wallace Cameron was going to Saginaw so arrangements were made for Per to return to Gladstone with her.

Both Per and Ebba speak English very well as in Sweden they are required to study English when they are approximately 12 years old and continue their study throughout High School.

Briefly Told

Gladstone Police issued traffic tickets Friday to William Monhead, Sundell, no operator's license; Elaine M. Burak, Chemical Plant location, failing to stop for flashing red light; Fredrick T. Cavill, Rapid River, speeding; John G. Gendron, 413 Montana Ave., and Richard L. Sellie, Burlington, Wis., both for failing to stop for a stop sign.

Two juveniles who were picked up by Gladstone Police for stealing a purse from a car at the Gladstone beach were cited to Probate Court Friday. Officers said the purse was stolen from a car owned by Mrs. F. S. Friesies, 808 N. 20th St., Escanaba. Police recovered $19 of the $40 in the purse.

State Police issued traffic summonses Friday to James F. Murray, 16 N. 7th St., Gladstone, violation of the basic speed law, and Patrick Gruszsnski, Rte. 2, Kato, Wis., driving left of center, after minor traffic accidents. Other tickets were issued to Cheryl Ann Shomin, 1429 N. 22nd St., Escanaba, no registration or proof in insurance; Calvin Deloria, 1302 Stephenson Ave., Escanaba, improper overtaking on marked curve, and Dennis Kozar, Rte. 1, Gladstone, noisy muffler.

Continuing investigation of recent breaking and enterings, State Police and Delta County Sheriff's officers have recovered a tent and other items taken from a camp owned by Maurice Dewehle, Elmwood, Park, Ill.

Personals

Mrs. George Ryan, 909 Minneapolis Ave., and son, Dan, returned Wednesday from a three weeks vacation in Apple Valley, Calif., with her son Edward, and family. They were joined in Apple Valley by George Ryan Jr., of Coos Bay, Ore. During their visit they traveled to Las Vegas, Calico City, Disneyland and Tijlana, Mex.

Extend Bus Line

GRAND RAPIDS (AP) — Grand Rapids City Coach Lines Inc., Friday announced it will extend bus service to Grand Valley State College, about 10 miles west of the city, beginning with the Sept. 28 school opening.

Ira Jackson, bus company manager, said a temporary grant to extend the service has been received from the Michigan Public Service Commission.

GLADSTONE

MRS. DONALD O. JOHNSON, above, is the former Susan Kay Anderson, whose wedding took place on Saturday, Aug. 19, at All Saints Church. The young couple, now on a wedding trip to Niagara Falls and Expo '67, will make their home in Kalamazoo. Both are seniors at Western Michigan University. (Delta Studio)

Sanitary Sewer Bids To Be Read By Commission

City Manager H. J. Henrikson listed five items on the agenda today for the regular meeting of the City Commission at 7:30 p.m. Monday at the City Hall.

Included is the opening of bids for sanitary sewer installation on N. 16th and N. 17th Sts.

The commission will also consider rental rates in the industrial park and the industrial park plat, hear a report from engineers on city blacktopping and curbing projects, and hold a public hearing on a variation from zoning requirements at 1209 Montana Ave.

Women's Fun Day Will Be Thursday

Women of the Gladstone Golf Club will hold their Fun Day Thursday beginning with pari-mutual play at 2 p. m. Those planning to golf are asked to call 428-9718 or 428-9757 for pairings. A salad and corn on the cob will be provided and each person should bring their choice of meat for a cookout.

Marinette Center To Get Theater

MARINETTE — Ground is expected to be broken in October for the $361,035 fine arts-theater building at the University of Wisconsin Marinette County Center. Completion of the building, which will house 400 theater type seats, is expected in the fall of 1968. The building is the first phase of a proposed expansion of the Center. A library, physical education building, and an addition to the existing classroom building and Phase I theater building are proposed for Phase II construction.

Card of Thanks

Druding

Because we cannot thank each of you personally we take this means of thanking the many friends, neighbors and relatives who aided by acts of kindness and sympathy during the recent death of our beloved husband and father, Earl Druding. We especially wish to thank Msgr. Matt LaViolette, the Chaplain, Sisters and staff at St. Francis Hospital, those who brought food to the house, loaned cars and the drivers, the pallbearers, and the many friends who sent cards, floral and spiritual bouquets. Your many acts of kindness will never be forgotten.

Earl Druding Family

Sugar Beets Are Not Restricted

WASHINGTON (AP) — The Agriculture Department has announced that no farm acreage allotments will be established for the 1968 crop of sugar beets. None were set for this year's production.

Allotments are authorized when there is or appears likely to be a surplus of sugar processed from beets. But supplies of such sugar have declined this year.

The department said increased plantings of sugar beets, a Michigan crop, will be needed in 1968 in order to replenish stocks of beet sugar.

Nine Cities Get Airport Grants

WASHINGTON (AP) — Nine Michigan cities will receive a total of $1,525,220 from the Federal Aviation Administration for airport development.

The cities and their amounts are: Battle Creek ($75,000); Cadillac ($18,900); Escanaba ($64,600); Flint ($33,900); Iron Mountain ($174,750); Lakeview ($27,585); Marquette ($433,600); Sandusky ($35,650); and Traverse City ($681,235).

MR. AND MRS. WALTER L. OLSON, 1309 Minnesota Ave., announce the engagement of their daughter, Barbara Ann, to Ernest Irwin, son of Mr. and Mrs. Ernest J. Irwin Sr., of Manchester, Conn. Miss Olson is a graduate of Northern Michigan University and is teaching in the Westwood Heights School System in Flint. Her fiance received his Bachelor's degree from the University of Connecticut and Masters degree from Michigan State University. He is an engineer at the Chevrolet plant in Flint. The wedding will take place Nov. 25 at All Saints Church.

LEGAL NOTICES

SPECIAL SCHOOL ELECTION
Notice of Special Election Of The Qualified Electors Of ESCANABA AREA PUBLIC SCHOOLS DELTA AND MARQUETTE COUNTIES, MICHIGAN TO BE HELD August 30, 1967

TO: THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the SPECIAL SCHOOL ELECTION of the qualified electors of said School District will be held on Wednesday, August 30, 1967.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK A.M. AND CLOSE AT 8:00 O'CLOCK P.M., EASTERN STANDARD TIME.

The following proposition will be submitted to the vote of the electors qualified to vote thereon at said special election:

Shall the limitation on the total amount of taxes which may be assessed against all property in the Escanaba Area Public Schools, Delta and Marquette Counties, Michigan, be increased by five mills on each dollar ($5.00 on each $1,000.00) of the assessed valuation, as equalized, of all property in said school district for a period of five (5) years, from 1967 to 1971, both inclusive, for the purpose of providing additional funds for operating expenses?

Each person voting in this election must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months and in the School District 30 days next preceding the election.

Only persons registered as electors in the City or Townships in which they reside are eligible to vote.

THE VOTING PLACES ARE AS FOLLOWS:

Precinct 1 - Delta County Building, 310 Ludington Street. Precinct No. 1 is identical with the City Precinct No. 1.

Precinct 2 - West Hall, Bay de Noc Community College. Precinct No. 2 is identical with the City Precinct No 2.

Precinct 3 - East Hall, Bay de Noc Community College. Precinct No. 3 is identical with the City Precinct No. 3.

"U.P. T-V Systems, Inc. has filed with the Federal Communications Commission on August 14, 1967, applications for authority to construct three (3) 100 watt UHF translator stations to rebroadcast WLUK-TV, channel 11, Green Bay on output channel 72 UHF, WFRV-TV, channel 5, Green Bay on output channel 74 UHF and WLUC-TV, channel 6, on output channel 76 UHF with an effective radiated power of 1050 watts on each channel with an omni directional pattern to serve Escanaba, Michigan from a 200' tower located at 45° 46 56" North Latitude and 87° 6' 4" West Longitude."

17596 — Aug 26

Romney Names Health Panel

LANSING (AP)—Gov. George Romney Friday issued an executive order creating a comprehensive state health planning commission.

The commission will serve as the state's long range inter-departmental health planning agency and will qualify Michigan for federal health planning funds.

The executive order also creates a citizens' comprehensive state health planning advisory council to work in conjunction with the planning commission.

Members of the planning commission will include the state health director, state mental health director, state social welfare director, state budget director and the governor's executive assistant for program development.

The commission, to operate under the executive office, is empowered to apply for federal planning funds and to hire a staff. Michigan has been allocated $235,000 for this purpose to date by the federal government.

Members of the citizens' advisory council will be appointed later.

Two Soldiers Plead Guilty To Killing Cabbie

COLUMBUS, Ga. (AP) — Two Ft. Benning soldiers have pleaded guilty in U.S. District Court to murder charges in the robbery-slaying of a Columbus taxi driver last December.

They are Pfc. Lee Edward Cook, 22, of Bronson, Mich., and Pfc. Donald Gene Wollard, 18, of Arkansas Pass, Tex.

They were charged with the fatal shooting of Joe H. Taylor, a retired Army sergeant found dead near his bloodstained taxicab in a densely wooded section of Ft. Benning reservation.

Regina, Saskatchewan, is named for Queen Victoria. The Indian name was Pile of Bones.

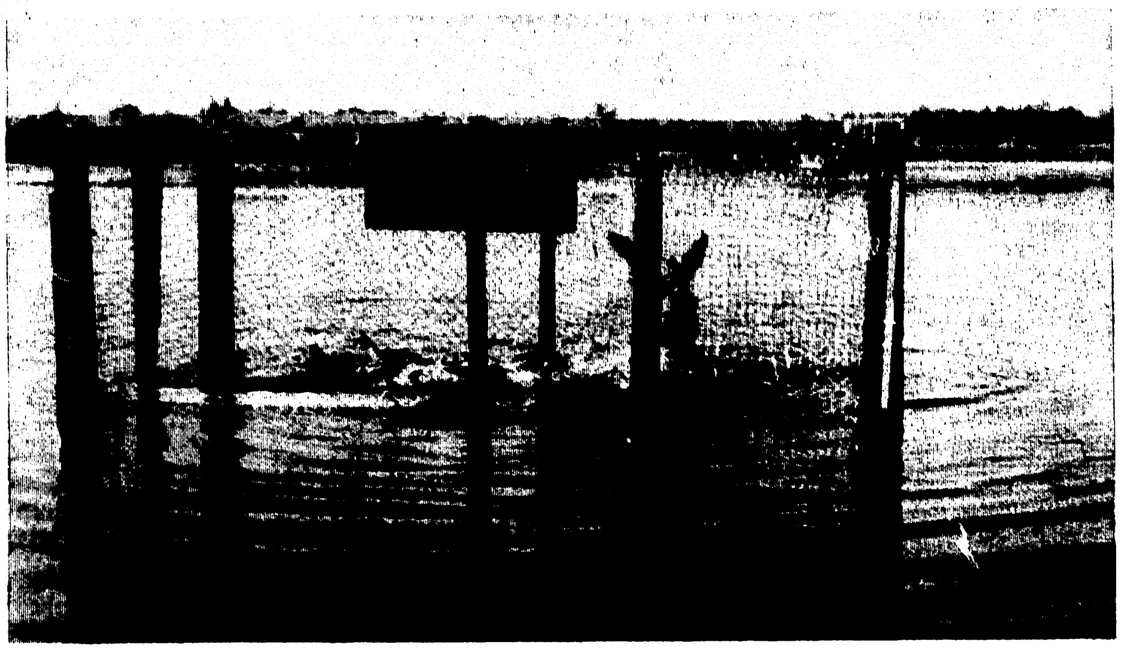
10 States Shoot Our Ducks



TRAPPED DUCKS thresh about in Joe Vogt's livetrap upon the approach of a biologist to remove them and band and liberate them. (Daily Press Photos by Chris Christensen)

Last year was a great one for mallard hatch in Portage Marsh and this looks like another one, says Joseph Vogt, Escanaba District game biologist of the Michigan Conservation Department, who is banding waterfowl there these days in the continuing effort to determine the distribution and rate of kill of Portage ducks, and the mortality by species.

Already a good deal has been learned from three years of banding.

This year Vogt starting banding at his four live traps in the marsh—they're baited with 50 pounds of corn daily—on Aug. 9 and up to yesterday he'd banded 379 ducks, mostly mallards, but with good numbers of blacks, teal and woodducks among them.

Surprisingly, there were also 14 redheads in the traps and Vogt thinks that they probably were hatched in the well flooded marsh. It had been suspected that redheads hatched there, but these were the first trapped in three years of banding.

Returns from 1,000 bands put on ducks in Portage number 127 to date, or a recovery of 13 per cent. The ducks were shot in 10 states—Wisconsin, New York, Arkansas, Minnesota Ohio, Illinois, Kentucky, Mississippi, Louisiana and Pensylvania, and in the Province of Ontario, Canada.

Five of the birds banded this year had bands put on them by other banders, 5 had been banded last year in Portage, and 2 had been banded in Portage in 1965.

Of the 379 birds banded this year 260 came back to be trapped again. A turtle was an intruder in one of the traps and muskrats get part of the corn. The ducks swim into a funnel in the traps and could swim out aagin, but very few do it.

JOSEPH VOGT examines a mallard hen taken from a Conservation Department live trap in Portage Marsh. The strings about his neck carry leg bands.

Paul Muni Dies At Home Friday

SANTA BARBARA, Calif. (AP) — Actor Paul Muni, who painstakingly studied the lives of men of accomplishment and played them to perfection, died Friday of a heart attack at his home in nearby Contecito.

He rose to stardom in the part of a tough gangster in "Scarface," but gained acclaim in portraying the lives of great men, including his Oscar-winning role as scientist Louis Pasteur.

The Austrian-born actor was 71.

The funeral will be held at 1 p.m. Tuesday in Hollywood Memorial Park chapel with burial in Beth Olam Cemetery.

Muni is survived by his widow Bella and two brothers.

Although he lost his left eye because of a tumor in 1955, Muni made a successful comeback but lately had been in poor health.

His practice was to submerge himself in a role, especially such biographical portrayals as the title role in "The Story of Louis Pasteur," which won him an Academy Award in 1936.

Painstaking research—up to 20 hours a day—marked his life when he sought to duplicate the personality, appearance and mannerisms of Pasteur and other great men such as Emile Zola and Benito Juarez, whose lives he played.

His rise to stardom began in "Scarface" in 1928. He earned another Oscar nomination in "The Good Earth," but his favorite role was in the relatively overlooked "I Am a Fugitive from a Chain Gang."

VENETIAN GONDOLAS

Gondolas were made necessary as a method of transportation in Venice, Italy, because the city is actually built on an archipelago of islands and mud flats. All gondolas in Venice had to be painted black by an ordinance of the Venetian senate in 1562.

Marinette Center Revises Charges

MARINETTE, Wis. — A tuition schedule recently approved by the University of Wisconsin Board of Regents for the University Center System requires full-time students at the Marinette County Center to pay more, and part-time students less, than before. Undergraduate tuition for full-time students will increase $14 per semester (from $105 to $119) for those students who carry eight or more credit hours and are residents of Wisconsin or Menominee County, Mich. Undergraduate tuition for part-time students, those carrying less than eight credits, has been reduced $3 per credit, (from $13 to $10).

Bowmen Ready

MADISON, Wis.—More than 80,000 archers are expected to take the field in pursuit of Wisconsin white - tailed deer this fall. The opening season for hunting deer with bow and arrow in all counties begins Sept. 23 and continues through Nov. 12. A late season, Dec. 2-31, is also open. One deer, of either sex, may be taken. No bow and arrow hunting is permitted during the gun season, Nov. 18-26.

Flight Finds No Duck Dieoff

The botulism kill-off of water birds appears to be less this year than in recent years, conservation officers report after a helicopter flight from Manistique to Ford River along the shore of Lake Michigan this week.

Pilot Dave S. Germain has also taken the Conservation Department's new made-in-Menominee Enstrom helicopter along the Lake Superior shore in a check on dead birds. He has been accompanied in the flights by Richard Aartila, Ishpeming, department game biologist.

Joseph Vogt, Escanaba, game biologist for the department here accompanied Aartila in a flight over Portage Bay and Little Bay de Noc on Friday.

"The men saw practically no dead birds on the beach except a few gulls," said Vogt. "The dieoff was very severe in 1964 and 1965 and less so last year and this year it is apparently even less.

"We had had loon deaths in September of recent years and we'll have to wait and see about that. The helicopter operated at about treetop height along the beach and I think it spooked some bathers.

"My flight showed me that the ducks are using the pools that we bulldozed into Portage Marsh a lot. I saw about 600 ducks on the flight."

Marine Accused Of Girl's Murder

GRAND RAPIDS (AP) — Eugene Tubbs, 19, of Grand Rapids, accused of murder in the death of Rosie May Hardges, 17, whose body was found July 15 in a hotel bathtub, was bound over for trial at a Kent County Circuit Court hearing Friday. He was held without bond. No trial date was set. Tubbs, a Marine, surrendered to Illinois authorities the day the body was found by a hotel chambermaid.

Baptize 98 in Swimming Pool

JACKSON (AP) — Some 7,500 Jehovah's Witnesses are attending the sect's tristate district assembly this weekend in Jackson. Most of the activities involve Bible student and discussion. Ninety-eight people were baptized Friday in a motel swimming pool.

AND AWAY WE GO! But this mallard didn't get far after liberation following banding in Portage Marsh because it had gorged so on the corn used to bait the livetrap that it flapped down into the marsh a short distance from the trap.

Birthday Party

Mrs. Gerald Lancour of 1305 Ludington St. was honored at a surprise birthday party on Monday evening. Hostesses for the party were Miss Joyce Lyon, Mrs. James Bushey and Mrs. Bud LaLonde.

A buffet type lunch was served and the table was centered with a large decorated birthday cake. Millie Aho was presented the guest prize.

Biologists Test Big Cedar River

HERMANSVILLE — District Fish Biologist Lud Frankenberger of Crystal Falls and his assistants Howard Wandell, Ron Helgren and David Johnson worked the Big Cedar River area Friday in Section 12 of Spalding Township, using an electronic fish shocker to evaluate the effectiveness of dams put in last year and to establish the degree of improvement to the river.

Indications are more work is needed on the pools and structures installed. The Conservation Department this spring stocked the river with 750 Brook trout.

Cyclist Suffers Fractured Leg

David Valiquette, 16, of Rte. 1, Escanaba, remained at St. Francis Hospital this morning under treatment for a compound fracture of his right leg suffered in a motor cycle accident Thursday night.

Hospital officials reported he is in good condition.

Escanaba police said Valiquette was going north on 23rd St. about 8:16 p. m. Thursday and in attempting to make a left turn onto Ludington St. failed to yield to trough traffic and was struck by a car driven by William C. Servant, 45, of 800 S. 17th St.

Valiquette was taken to St. Francis Hospital by ambulance. There were no injuries to Servant or any of his four children who were passengers in the car.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

Salmon Fishing Excites Michigan Shore Anglers

LANSING (AP) — Salmon fishing is starting to get exciting in Lake Michigan near Manistee and Frankfort, reports the State Conservation Department.

Netting surveys show Coho salmon are starting to school up near the mouths of the Manistee and Platte rivers. They are expected to start running upstream around mid-September.

The latest large Coho taken by hook and line was a 29½-inch, 13-pound 12-ounce fish landed by Mike Welch of Chicago while trolling near the mouth of the Manistee River.

Conservation Department netting surveys near the mouth of the Platte River turned up 95 Coho this week. The largest fish weighed more than 14 pounds and measures better than 31 inches.

Choose UAW

EAST JORDAN (AP) — Workers at the Mount Clemens Metal Products Co. in East Jordan have voted 161-82 in favor of representation by the United Auto workers. The vote was conducted by the National Labor Relations Board.

Pulpwood Harvest Overstocks Market

Pulpwood harvest in the Upper Peninsula, which a year ago was causing concern about sufficiency of wood supply to the mills, has erupted this summer and overstocked the market.

The change is one of the most swift and unexpected reversals of wood supply trends in the pulp and paper business in the U. P. and neighboring Wisconsin in years.

It has resulted, industry sources say, because of:

1. Increased prices for pulpwood of as much as $5 a cord granted last year.

2. Somewhat sluggish paper industry sales which have caused some mills to build their warehouse inventories higher than they like in an effort to maintain operations and full employment. Despite this, some mills which had been operating 7 days a week are down to 6 and 5 days.

Yards Stocked

3. Shift over of some cutters from rough wood (with the bark on) production to peeled wood when mills reduced their buying of rough wood, resulting in a great acceleration of peeled pulpwood production.

Upper Peninsula and Northeastern Wisconsin mills have big yard stocks of wood and the marshaling yards for wood which supply them are also filled and there are reports of a considerable volume of wood on cars waiting entry to the yards.

This has hoisted the glut signals at some mills and to keep an orderly flow of wood and not favor some suppliers over others some yards are closing the wood yard gates for a time. Mead's mill at Groos will close its yard in the week following next for a few days.

Started In Spring

The trend started last spring in this district with drying up of the market for hemlock and jack pine, both rough woods. The kraft mills asked their suppliers to reduce production and the cutters jumped over to production of peeled aspen, birch and the other pulping hardwoods.

Some big producers cut no rough aspen this summer but the peeled wood cut generally exceeded expectations. The paper industry slow-up affected even the white paper mills and there has been some price cutting on pulpwood because the supply was so quickly and surprisingly super-adundant.

Paper was abundant, too, and there has been some paper price cutting reported in order to reduce inventories.

One wood supplier said "All the yards have ample stocks of wood and some of them have surpluses. Cutters hired too many men and pulpwood production is high all over the Lake States. The government economists keep saying that there's a boom, but our view of the situation is that there's a pinch."

The situation will affect the fall cut of pulpwood, which consists of balsam, spruce, rough aspen and other wood.

Saturn Moves To Launch Pad

CAPE KENNEDY, Fla. (AP) —America's first Saturn 5, the most powerful rocket ever built, moved today toward its launching pad on the back of a diesel-powered transporter that resembled a giant mechanical turtle.

The rocket is scheduled for an October test launching, the first of a series that will qualify it to boost U.S. astronauts towards the moon in two or three years.

At 6:25 a.m. the tractor-like transporter—called a crawler—clanked ponderously out of its cavernous assembly building through a 456-foot tall door. The building, where four Saturn 5 rockets can be assembled simultaneously, is the world's largest.

Towering 364-feet above the huge crawler, the Saturn 5 and its Apollo spacecraft were an impressive sight to the more than 200 NASA officials and newsmen gathered here for the roll-out ceremony. Also perched upright on the transporter was a 380-foot mobile launching tower to service the rocket.

Creeping on its tank - like treads at about half a mile an hour, the crawler drivers expected to take at least eight hours to travel the 3.5-mile roadway from the cavernous assembly building to the launch pad.

On the pad, engineers and technicians will subject the Saturn 5 to at least 45 days of extensive checkout before committing the giant to flight.

Briefly Told

Escanaba Police issued traffic summonses Friday to James W Phillips, 1321 1st Ave. S., speeding, and Calix R. Charlebois, 1122 3rd Ave. S., defective head light.

Theft of a typewriter valued at $86 from the U. P. State Fairgrounds during the fair last week was reported to Escanaba police today by Lee Cooper, Bay View location. The typewriter was apparently taken from a stand under the grandstand.

John Caron, 14, of 1210 N. 21st st., was slightly injured about 9:45 p. m. Friday when a car driven by Gerald C. Moore, 17, of 2005 5th Ave. S., bumped his leg. The accident happened in the driveway of the Shell Gas Station, 536 N. 23rd St.

Scholarships To Honor Dr. Harden

MARQUETTE—Scholarships which will benefit top Michigan students and at the same time honor Northern Michigan University president Edgar L. Harden, have been established by NMU's Board of Control.

The "Harden Scholars" program will begin with three awards of $1,000 apiece to outstanding high school seniors from the Upper Peninsula and Lower Michigan and will build to a maximum of one dozen $1,000 stipends over a four-year period.

The first three scholarships are expected to be awarded for the 1968-69 academic year.

Arrest Expelled Nazi In Murder Of G. Rockwell

(Continued from Page 1)

swine," he cried. "You're trying to force white Americans to your will."

He changed his name from John Patsalos in 1960, married a 19-year-old girl, and was discharged honorably from the Marines in the wake of a party rally at which he was arrested.

Patler wrote later, "Enormous pressure was exerted by the Jew war veterans and I once again found myself in the middle of a battle on account of my political beliefs."

Father Killed Wife

When Patler was five, his father shot and killed his wife and was sent to Sing Sing prison. On his release, the father battled in court with his grandmother for custody of John and his younger brother, George.

Patler once wrote, "I learned early that the only way you stop terrorism and force is with superior terrorism and superior force."

That might sum up Rockwell's philosophy too.

Rockwell, in lectures at college campuses, said often, "I am a racist."

The Sept. 1 issue of a party publication, "White Power," shows a drawing of Rockwell that has him saying: "Let me show you how we can smash nigger power . . . we need a national white gang."

Ware Freed On $5,000 Bond

NASHVILLE, Tenn. (AP) — A Negro minister posted $5,000 bond for George Washington Ware Friday night, hours after a judge delayed until Monday a ruling on whether the Black Power leader was being held illegally on a state sedition charge.

Ware, 27, a field worker for the Student Nonviolent Coordinating Committee, walked from metropolitan jail after the Rev. Andrew White filed the property bond.

Ware was jailed Tuesday on a warrant sworn out by attorneys Jack Kershaw and Charles Galbreath who said they acted as private citizens. He was charged under a 109-year-old law making it illegal to advocate the overthrow of the state or federal government by violence, or to belong to any organization preaching such doctrine.

State attorneys have indicated they will prosecute Ware.

Ware was charged after he told newsmen at Nashville's embattled Liberation School that Negroes must use all means available to take power. The school for young Negroes lost the backing of the Metropolitan Action Commission after police Capt. John A. Sorace testified the school teaches hatred of the white race.

The Rev. Mr. White, who posted bond for Ware, is a member of the commission and a national secretary of the AME Church division of Christian education.

Central Church Picnic Sunday

Members and friends of Central Church are invited to attend the annual church picnic Sunday, Aug. 27 beginning at 1 p. m. on the patio on the church premises.

Games and prizes for young and old, pop and ice cream and coffee will be furnished. Bring a dish to pass and your own table service. In the event of rain, the picnic will be in the fellowship hall.

"Hey, boy!"

That's what they'll be calling you all your life if you drop out of school now. Because no matter what your age, with just a boy's education, you'll have a boy's job — at a boy's pay.

Don't let it happen. Don't quit before you get a man-size education. Because to get any kind of a good job today, you need a good education. Prepare now to go after the lion's share. And leave the boys' jobs for the boys.

To get a good job, get a good education.
